

TIPS VENDOR AGREEMENT

Between McKinstry Essention, LLC and
(Company Name)

THE INTERLOCAL PURCHASING SYSTEM (TIPS),
a Department of Texas Education Service Center Region 8 for
TIPS RFP 200601 Consulting and Other Related Services

General Information

The Vendor Agreement ("Agreement") made and entered into by and between The Interlocal Purchasing System (hereinafter "TIPS") a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686 and the TIPS Vendor. This Agreement consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

A Purchase Order ("PO"), Agreement or Contract is the TIPS Member's approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the possible addendums.

Terms and Conditions

Freight

All quotes to Members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating "No Charge", "\$0", "included in price" or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award.

Warranty Conditions

All new supplies equipment and services shall include manufacturer's minimum standard warranty unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal ("RFP") category. All goods proposed and sold shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion.

Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

Assignments of Agreements

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

Disclosures

- Vendor and TIPS affirm that he/she, or any authorized employees or agents, has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term of Agreement and Renewals

The Agreement with TIPS is for approximately three (3) years with an option for renewal for an additional one (1) consecutive year if both parties agree. TIPS may or may not exercise the available extension(s) provided in the original solicitation beyond the base three-year term. Whether or not to offer the extension is at the sole discretion of TIPS.

"Start Date" for Term Calculation Purposes Only: Regardless of actual award/effective date of Contract, for Agreement "term" calculation purposes only, the Agreement "start date" is the last day of the month that Award Notifications are anticipated as published in the Solicitation.

Example: *If the anticipated award date published in the Solicitation is May 22, but extended negotiations delay award until June 27, the end date of the resulting initial "three-year" term Agreement, (which is subject to an extension(s)) will still be May 31, 2023.*

"Termination Date": The scheduled Agreement "termination date" shall be the last day of the month of the month of the Solicitation's Anticipated Award Date, published in the Solicitation, plus three years.

Example: *If the original term is approximately three years, and the solicitation provides an anticipated award date of May 22, 2020, the expiration date of the original three-year term shall be May 31, 2023.*

Extensions: Any extensions of the original term shall begin on the next day after the day the original term expires.

Example Following the Previous Example: *If TIPS offers a one-year extension, the expiration of the extended term shall*

be May 31, 2024.

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

Each invoice or pay request shall include the TIPS Member's purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the Vendor Assigned Dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned Dealer. Vendor, Reseller or Vendor Assigned Dealer agrees to pay the participation fee to TIPS for all Agreement sales upon receipt of payment including partial payment, from the Member Entity or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the

legally effective fee for that amount is due to TIPS from the Vendor.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. When a public entity initiates a purchase with a TIPS Awarded Vendor, if the Member inquires verbally or in writing whether the Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether or not the Member is seeking a TIPS purchase. Once verified, the Vendor must include the TIPS Contract number on any communications and related sales documents exchanged with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at https://www.tips-usa.com/vendors_form.cfm and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the Vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be

construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a Purchase Order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement Number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

Awarded Vendor shall remain reasonably fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of goods or services under the Agreement. TIPS and TIPS Members reserves the right to stop work and/or cancel an order or terminate this or any other sales Agreement of any awarded Vendor whose license(s) required for performance under this Agreement have expired, lapsed, are suspended or terminated subject to a 30-day cure period unless prohibited by applicable statute or regulation.

Novation

If awarded Vendor sells or transfers all assets, rights or the entire portion of the assets or rights required to perform this Agreement, a successor in interest must guarantee to perform all obligations under this Agreement. A simple change of name agreement will not change the Agreement obligations of awarded vendor. TIPS will consider Contract Assignments on a case by case basis. TIPS must be notified within five (5) business days of the transfer of assets or rights.

Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with the pricing under this agreement, TIPS shall have the ability to conduct the audit internally or may engage a third- party auditing firm to investigate any possible non- compliant conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format and at the location acceptable to Region 8 ESC or TIPS. Indemnification

The ESC Region 8 and TIPS is a Texas Political Subdivision and a local governmental entity; therefore, is prohibited from indemnifying third parties pursuant to the Texas Constitution (Article 3, Section 52) except as specifically provided by law or as ordered by a court of competent jurisdiction. A provision in a contract to indemnify or hold a party harmless is a promise to pay for any expenses the indemnified party incurs, if a specified event occurs, such as breaching the terms of the contract or negligently performing duties under the contract. Article III, Section 49 of the Texas Constitution states that "no debt shall be created by or on behalf of the State ... " The Attorney General has counseled that a contractually imposed obligation of indemnity creates a "debt" in the constitutional sense. Tex. Att'y Gen. Op. No. MW-475 (1982). Contract clauses which require the System or institutions to indemnify must be deleted or qualified with "to the extent permitted by the Constitution and Laws of the State of Texas." Liquidated damages, attorney's fees, waiver of vendor's liability, and waiver of statutes of limitations clauses should also be deleted or qualified with "to the extent permitted by the Constitution and laws of State of Texas."

Insurance and Fingerprint Requirements Information

Insurance

If applicable and your staff will be on TIPS member premises for delivery, training or installation etc. and/or with an automobile, you must carry automobile insurance as required by law. You may be asked to provide proof of insurance.

Fingerprint

It is possible that a vendor may be subject to Chapter 22 of the Texas Education Code. The Texas Education Code, Chapter 22, Section 22.0834. Statutory language may be found at: <http://www.statutes.legis.state.tx.us/>

If the vendor has staff that meet both of these criterion:

- (1) will have continuing duties related to the contracted services; and
- (2) has or will have direct contact with students

Then you have "covered" employees for purposes of completing the attached form.

TIPS recommends all vendors consult their legal counsel for guidance in compliance with this law. If you have questions on how to comply, see below. If you have questions on compliance with this code section, contact the Texas Department of Public Safety Non-Criminal Justice Unit, Access and Dissemination Bureau, FAST-FACT at NCJU@txdps.state.tx.us and you should send an email identifying you as a contractor to a Texas Independent School District or ESC Region 8 and TIPS. Texas DPS phone number is (512) 424-2474.

See form in the next attribute to complete entitled:
Texas Education Code Chapter 22 Contractor Certification for Contractor Employees

Texas Education Code Chapter 22 Contractor Certification for Contractor Employees

Introduction: Texas Education Code Chapter 22 requires entities that contract with school districts to provide services to obtain criminal history record information regarding covered employees. Contractors must certify to the district that they have complied. Covered employees with disqualifying criminal histories are prohibited from serving at a school district.

Definitions: Covered employees: Employees of a contractor or subcontractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students. Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school:

(a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state.

I certify that:

NONE (Section A) of the employees of Contractor and any subcontractors are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that the employees of Contractor and any subcontractor will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

OR

SOME (Section B) or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that:

(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

(2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.

(3) Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees.

(4) If the District objects to the assignment of a covered employee on the basis of the covered employee's criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at the District.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

5**Texas Business and Commerce Code § 272 Requirements as of 9-1-2017**

SB 807 prohibits construction contracts to have provisions requiring the contract to be subject to the laws of another state, to be required to litigate the contract in another state, or to require arbitration in another state. A contract with such provisions is voidable. Under this new statute, a "construction contract" includes contracts, subcontracts, or agreements with (among others) architects, engineers, contractors, construction managers, equipment lessors, or materials suppliers. "Construction contracts" are for the design, construction, alteration, renovation, remodeling, or repair of any building or improvement to real property, or for furnishing materials or equipment for the project. The term also includes moving, demolition, or excavation. BY RESPONDING TO THIS SOLICITATION, AND WHEN APPLICABLE, THE PROPOSER AGREES TO COMPLY WITH THE TEXAS BUSINESS AND COMMERCE CODE § 272 WHEN EXECUTING CONTRACTS WITH TIPS MEMBERS THAT ARE TEXAS GOVERNMENT ENTITIES.

6**Texas Government Code 2270 Verification Form**

Pursuant to Chapter 2270 of the Texas Government Code, the Vendor hereby certifies and verifies that neither the Vendor, nor any affiliate, subsidiary, or parent company of the Vendor, if any (the "Vendor Companies"), boycotts Israel, and the Vendor agrees that the Vendor and Vendor Companies will not boycott Israel during the term of this Agreement. For purposes of this Agreement, the term "boycott" shall mean and include refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

2**Felony Conviction Notice**

Texas Education Code, Section 44.034, Notification of Criminal History, Subsection (a), states "a person or business entity that enters into a contract with a school district must give advance notice to the district if the person or an owner or operator of the business entity has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony." Subsection (b) states "a school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract." (c) This section does not apply to a publicly held corporation. The person completing this proposal certifies that they are authorized to provide the answer to this question.

Select A., B. or C.

A. My firm is a publicly held corporation; therefore, this reporting requirement is not applicable.

OR B. My firm is not owned nor operated by anyone who has been convicted of a felony, OR

C. My firm is owned or operated by the following individual(s) who has/have been convicted of a felony. (if you answer C below, you are required to provide information in the next attribute.

8
3**If you answered C. My Firm is owned or operated by a felon to the previous question, you are REQUIRED TO ANSWER THE FOLLOWING QUESTIONS.**

If you answered C. My Firm is owned or operated by a felon to the previous question, you must provide the following information.

1. Name of Felon(s)

Points will be assigned to this criterion based on your answer to this Attribute. Points are awarded if you agree not increase your catalog prices (as defined herein) more than X% annually over the previous year for years two and three and potentially year four, unless an exigent circumstance exists in the marketplace and the excess price increase which exceeds X% annually is supported by documentation provided by you and your suppliers and shared with TIPS, if requested. 5**Required Confidentiality Claim Form**

Required Confidentiality Claim Form

This completed form is required by TIPS. By submitting a response to this solicitation you agree to download from the "Attachments" section, complete according to the instructions on the form, then uploading the completed form, with any confidential attachments, if applicable, to the "Response Attachments" section titled "Confidentiality Form" in order to provide to TIPS the completed form titled, "CONFIDENTIALITY CLAIM FORM". By completing this process, you provide us with the information we require to comply with the open record laws of the State of Texas as they may apply to your proposal submission. If you do not provide the form with your proposal, an award will not be made if your proposal is qualified for an award, until TIPS has an accurate, completed form from you.

Read the form carefully before completing and if you have any questions, email Rick Powell at TIPS at

rick.powell@tips-usa.com

8
6**Choice of Law clauses with TIPS Members**

If the vendor is awarded a contract with TIPS under this solicitation, the vendor agrees to make any Choice of Law clauses in any contract or agreement entered into between the awarded vendor and with a TIPS member entity to read as follows: "Choice of law shall be the laws of the state where the customer resides" or words to that effect.

8
7**Venue of dispute resolution with a TIPS Member**

In the event of litigation or use of any dispute resolution model when resolving disputes with a TIPS member entity as a result of a transaction between the vendor and TIPS or the TIPS member entity, the Venue for any litigation or other agreed upon model shall be in the state and county where the customer resides unless otherwise agreed by the parties at the time the dispute resolution model is decided by the parties.

8
8**Automatic renewal of contracts or agreements with TIPS or a TIPS member entity**

This clause **DOES NOT** prohibit multiyear contracts or agreements with TIPS member entities. Because TIPS and TIPS members are governmental entities subject to laws that control appropriations of funds during their fiscal years for contracts and agreements to provide goods and services, does the Vendor agree to limit any automatic renewal clauses of a contract or agreement executed as a result of this TIPS solicitation award to not longer than "month to month" and at the TIPS contracted rate.

8
9**Indemnity Limitation with TIPS Members**

Texas and other states restrict by law or state Constitution the ability of a governmental entity to indemnify others. TIPS requires that any contract entered into between a vendor and TIPS or a TIPS Member as a result of an award under this Solicitation limit the requirement that the Customer indemnify the Vendor by either eliminating any such indemnity requirement clauses in any agreements, contracts or other binding documents **OR** by prefacing all indemnity clauses required of TIPS or the TIPS Member entity with the following: "To the extent permitted by the laws or the Constitution of the state where the customer resides, ".

Agreement is a required condition to award of a contract resulting from this Solicitation.

9
0**Arbitration Clauses**

Except for certain circumstances, TIPS forbids a mandatory arbitration clause in any contract or agreement entered into between the awarded vendor with TIPS or a TIPS member entity. Does the vendor agree to exclude any arbitration requirement in any contracts or agreement entered into between TIPS or a TIPS member entity through an awarded contract with TIPS?

9
1**Required Vendor Sales Reporting**

By responding to this Solicitation, you agree to report to TIPS all sales made under any awarded Agreement with TIPS. Vendor is required to report all sales under the TIPS contract to TIPS. If the TIPS Member entity requesting a price from the awarded Vendor requests the TIPS contract, Vendor must include the TIPS Contract number on any communications with the TIPS Member entity. If awarded, you will be provided access to the Vendor Portal. To report sales, login to the TIPS Vendor Portal and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the [TIPS Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS.

9
2**Upload of Current W-9 Required**

Please note that you are required by TIPS to upload a current W-9 Internal Revenue Service (IRS) Tax Form for your entity. This form will be utilized by TIPS to properly identify your entity. Additionally, if not designated "Confidential" in your proposal response, this W-9 may be accessed by TIPS Members for the purpose of making TIPS purchases from you in the event that you are awarded. If you wish to designate your required W-9 confidential, please do so according to the terms of the Confidentiality Claim Form which is an attachment to this solicitation.

Sustainability and Energy Services

McKinstry has an extensive resume of sustainable design and energy conservation projects. Our teams have performed facility audits for over 2,000 buildings in the past five years, received multiple design awards, and delivered in excess of \$25 million in utility incentives to clients. We have participated in dozens of LEED® certification projects and ENERGY STAR® certifications for highly efficient facilities. Our 2025 goal is to innovate the waste and climate-harm out of the built environment and chart the course for a zero-carbon future.

Energy Auditing

The audit phase of a project is a very important step in identifying all viable opportunities. McKinstry's staff has many years of combined auditing experience, within the dedicated energy group, to ensure that no stone is left unturned. McKinstry's facility auditing process also consists of several steps designed to capitalize on the efficient use of the team's time and to strategically focus on initiatives that have a high probability of implementation and energy savings success. The facility auditing team usually consists of energy engineers, program managers, and one or more engineering resources. Other resources such as utility representatives and construction estimators are brought in as needed during the facility audit.

Facility Condition Assessments / Asset Management

McKinstry has conducted FCAs in more than 500 buildings/facilities, representing more than 20 million sq. ft. This depth of experience has translated into a refined, real-world approach for developing detailed, action-oriented facility condition assessments.

Financing

McKinstry can offer multiple approaches to financing. Our preferred approach is to arrange financing that provides the best overall value for our clients. Typically, this is arranged through financing with banking partners of third-party lenders direct to the client to take advantage of lower interest rates. In order to arrange funding, McKinstry develops a financing package Request for Proposal (RFP) that takes into consideration the key financial criteria of the client. This package is then submitted to interested parties, with results reviewed by the project team and ultimately selected by the client.

Grants, Rebates & Incentives

McKinstry seeks all available funding avenues on behalf of our clients, which is reflected in the fact that McKinstry has secured over \$100 million in grants for our clients in the last five years, with innovative approaches to design and implementation.

CONSULTING SERVICES

Design and Consulting

Our integrated delivery approach to design/build brings engineers, CAD designers, architects, and energy experts under one roof to provide clients with a single-source of accountability for any project. This “whole building” approach—and the expertise gained through its application—feeds into the design of each project, providing us with knowledge capital that we can leverage repeatedly in service of your best interests.

Prime Contracting

McKinstry functions as the prime contractor on energy savings projects. This approach minimizes project costs by eliminating multiple tiers of mark-up. Our team of experienced professionals are trained to oversee a project from the unique perspective needed to successfully perform this role. A key focus is scheduling and coordination of tasks. During the pre-construction phase of all projects, we collect input from the entire team to develop a detailed project schedule. In this prime contractor role, we take responsibility for the entire project, including all trades that are involved. McKinstry's record of successful projects for a variety of customers continues to grow with our proven expertise.

Construction Management/ Administration

Calling upon McKinstry Company's 60 years of experience in construction, our collective construction experience enables our energy services teams to successfully complete construction projects for our clients. Our construction experience is vast and includes numerous university and college campuses, cities, counties, school districts, high-tech and biotech facilities, as well commercial buildings. Our construction management team utilizes experience, technical tools, and personal commitment in delivering outstanding results and timely conclusions.

In our experience, one of the most critical elements of delivering a successful construction project is communication with the various stakeholders. More often than not, construction projects need to take place in occupied buildings, during occupied hours, and under a tight schedule with any system shutdowns highly coordinated.

Commissioning

McKinstry has in-house commissioning experts who provide valuable insights into building system performance. Most importantly, these individuals are able to investigate each system and provide modifications and recommendations that result in equipment performing as designed and desired.

McKinstry has more than 80 commissioning providers on staff who work on new and existing buildings and hold dozens of certifications in the industry. We have commissioned missions of square feet in the last two decades.

Training

Facilities staff have a direct impact on annual-savings achievements, maintenance of occupant comfort, and extension of equipment life; thus, staff training is a critical component of all McKinstry projects, large or small. We host an on-site training session (or multiple sessions, if needed) for all pertaining elements. One of our McKinstry Site Superintendents will lead the training, an engineer will review the entire system, and the appropriate vendor will address equipment specifics.

CONSULTING SERVICES

Warranty Services

We look at this as a long-term partnership, and as such, we support our clients with resolutions for equipment and system issues after the warranty period expires. We will commission each project to ensure all equipment and systems installed will meet or exceed performance standards. We will guarantee installation and workmanship for one year against defects. Equipment typically carries the manufacturer's warranties, yet based on our relationships with vendors, we will extend warranties at no or low cost.

Behavioral Energy Program (powerED)

McKinstry's powerED program for campuses save energy, resources, and money. The program is made up of three modules: People, Process, and Performance. The People module engages building occupants to adopt energy-efficient habits. The Process module identifies ways for facility and maintenance staff to implement low- and no-cost energy solutions. The Performance module ensures that established goals and objectives are being met through measurement and reporting on an online dashboard. The powerED program is offered as an add on technical service that results in savings beyond system retrofits.

Measurement and Verification (M&V) of Savings

Delivering promised energy savings is the core of our process. We have a dedicated measurement and verification team that uses the latest remote monitoring technologies, loggers, and web-based services to enable the flow of data from and to our clients. We have an in-house remote monitoring center to monitor control systems. We use the U.S. Department of Energy's International Performance Measurement and Verification Protocol (IPMVP) as our best practice standard.

Savings Guarantees

McKinstry knows that guaranteed savings are one of the critical elements of a successful performance contract. To this point, we strive to develop accurate and detailed guaranteed savings for each measure. The energy savings are derived from electrical, gas, water, and waste initiatives that are pursued. Energy saving guarantees are developed around the predicted units (e.g., kWh) of energy saved, then converted to a dollar figure (by using the units saved multiplied by the utility rate) and guaranteed up to 100%.

Active Energy Management

McKinstry's Active Energy Management (AEM) is a professional service that provides a technology enabled solution supported by commissioning engineers and facility staff. It provides a customized, cloud-based analytics platform, Reveal™, to provide CSH a visual online dashboard that tracks energy use data per facility, monitoring-based commissioning (MBCx) implemented changes, and reports to key stakeholders the key performance indicators (KPIs), progress and savings generated

The program implements energy savings measures through equipment enhancements and building automation system analytics. This unique service combines ongoing commissioning with technology providing a valuable partnership for clients to reach operational goals.

We had to move past 'data drowning' and get to a point where we collect and sort the critical information in real time. This program allows us to make informed decisions and then see, understand and monetize the results of those actions." -- Chris Kopach, AVP University of Arizona

Transition to Sustainable Operations

Transition to Sustainable Operations (TSO) is a process roadmap developed in partnership with the facility operations team to provide capacity building and training, ongoing monitoring, maintenance services, SOPs, MOPs and EOPs to sustain critical 24/7 services, and also to provide these services in an efficient, controllable manner. This happens when three main components work seamlessly together—training, technology, and technicians.

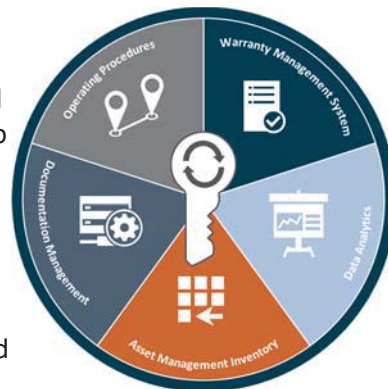

There are significant challenges to managing and integrating facilities information and management together into an existing campus operation and maintenance program including items such as:

- Systems, processes, and resources must be aligned so that the operations of an individual facility match the overall facilities management program.
- Occupancy changes, retrofits, and equipment degradation inevitably tests systems in ways any testing process couldn't anticipate.
- Change and innovation, especially within technology, often outpace the systems and resources in place to operate and maintain these changes.
- Increasingly complex building systems and emerging technologies, while integral to an occupant experience, put strain on building operators and often surpass technical experience, training or abilities.
- Building operators must work across an enormous range of equipment types, system types, and technologies.

Closing this gap requires a disciplined process and approach to capture critical knowledge throughout the campus and transfer that knowledge to operations staff. Our TSO program closes the gap, resulting in a dynamic digital tool that pulls in all the asset data derived from your current facility assessments, on site verification by McKinstry engineers, standardized operating procedures, and maintenance operating procedures that work towards established key performance indicators.

There are numerous benefits to existing infrastructure and systems that result from implementing the TSO program, such as:

- Equipment is accurately documented, easily serviced, and asset information is readily available for the facility operations team.
- Warranties from recent project work are fully documented and maximized.
- Equipment and systems are optimized for ongoing performance.
- KPIs are documented and tracked with analytics to ensure an efficient and effective transition to sustainable operations.
- Some operational practices successfully transition from reactive maintenance to preventive maintenance practices, resulting in significant energy and operational cost savings.
- System operations are streamlined to increase student and teacher comfort, improving the classroom experience.
- Data is easily located and accessed.
- CSH has a dynamic, digital tool that will help you prioritize the operations and management of all assets for which data has been collected, verified on the ground, and input into the digital platform.

SAFETY PRACTICES AND PROCEDURES

During the execution of services, McKinstry will be responsible and accountable for jobsite safety of the owner's staff, McKinstry staff, subcontractors, patients, and visitors. As a people-first company, we will never compromise safety for the sake of efficiency.

McKinstry has a full-time safety engineer for projects supported by a corporate safety team dedicated to preventing loss and maintaining a safe and healthy work environment. Our safety policies are tested and evaluated by each of our departments, and we expect full implementation of our safety program by all employees at all levels.

Our corporate and local safety teams ensure that all field audits and projects have McKinstry safety manuals, material safety data sheets, federal and state standards, documentation support (accident/injury/near miss report forms, etc.) and training to properly fill out the necessary documentation.

For every project, we develop a site-specific safety plan that factors in specific project risk areas and focuses on preventative safety measures to assure safe working conditions for our crews and all occupants. Over the last few months, our team has developed and deployed COVID-19 site specific safety plans for all of our projects. Our detailed safety plan will be presented to CSH prior to the start of work. Everyone on site will be qualified to safely perform required tasks and other ongoing services—verified by documentation evidencing appropriate safety training.

COVID-19 SAFETY PROCEDURES

The health and safety of our employees, clients, and community is our utmost concern. By ensuring effective communication between employees and clients, McKinstry will help minimize disruptions caused by COVID-19 while protecting the health and safety of our combined teams.

Our safety team swiftly created guidelines and protocol plans to facilitate the safe and effective implementation of field work. Safety procedures in place include:

- COVID-19 Task Force
- COVID-19 Safety and Security Response Plan
- COVID-19 Safety Plan for On-Site Employees
- COVID-19 Car Travel Safety Plan
- COVID-19 Social Distancing Policy
