(Company Name)

THE INTERLOCAL PURCHASING SYSTEM (TIPS),
a Department of Texas Education Service Center Region 8 for
TIPS RFP 200601 Consulting and Other Related Services

General Information

The Vendor Agreement ("Agreement") made and entered into by and between The Interlocal Purchasing System (hereinafter "TIPS") a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686 and the TIPS Vendor. This Agreement consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

A Purchase Order ("PO"), Agreement or Contract is the TIPS Member's approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the possible addendums.

Terms and Conditions

Freight

All quotes to Members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating "No Charge", "\$0", "included in price" or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award.

Warranty Conditions

All new supplies equipment and services shall include manufacturer's minimum standard warranty unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal ("RFP") category. All goods proposed and sold shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion.

Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

Assignments of Agreements

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

Disclosures

- Vendor and TIPS affirm that he/she, or any authorized employees or agents, has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term of Agreement and Renewals

The Agreement with TIPS is for approximately three (3) years with an option for renewal for an additional one (1) consecutive year if both parties agree. TIPS may or may not exercise the available extension(s) provided in the original solicitation beyond the base three-year term. Whether or not to offer the extension is at the sole discretion of TIPS.

"Start Date" for Term Calculation Purposes Only: Regardless of actual award/effective date of Contract, for Agreement "term" calculation purposes only, the Agreement "start date" is the last day of the month that Award Notifications are anticipated as published in the Solicitation.

Example: *If the anticipated award date published in the Solicitation is May 22, but extended negotiations delay award until June 27, the end date of the resulting initial "three-year" term Agreement, (which is subject to an extension(s)) will still be May 31, 2023.*

"Termination Date": The scheduled Agreement "termination date" shall be the last day of the month of the month of the Solicitation's Anticipated Award Date, published in the Solicitation, plus three years.

Example: *If the original term is approximately three years, and the solicitation provides an anticipated award date of May 22, 2020, the expiration date of the original three-year term shall be May 31, 2023.*

Extensions: Any extensions of the original term shall begin on the next day after the day the original term expires.

Example Following the Previous Example: *If TIPS offers a one-year extension, the expiration of the extended term shall*

be May 31, 2024.

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

Each invoice or pay request shall include the TIPS Member's purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the Vendor Assigned Dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned Dealer. Vendor, Reseller or Vendor Assigned Dealer agrees to pay the participation fee to TIPS for all Agreement sales upon receipt of payment including partial payment, from the Member Entity or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the

legally effective fee for that amount is due to TIPS from the Vendor.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. When a public entity initiates a purchase with a TIPS Awarded Vendor, if the Member inquires verbally or in writing whether the Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether or not the Member is seeking a TIPS purchase. Once verified, the Vendor must include the TIPS Contract number on any communications and related sales documents exchanged with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at https://www.tips-usa.com/vendors_form.cfm and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the Vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be

construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a Purchase Order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement Number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

Awarded Vendor shall remain reasonably fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of goods or services under the Agreement. TIPS and TIPS Members reserves the right to stop work and/or cancel an order or terminate this or any other sales Agreement of any awarded Vendor whose license(s) required for performance under this Agreement have expired, lapsed, are suspended or terminated subject to a 30-day cure period unless prohibited by applicable statute or regulation.

Novation

If awarded Vendor sells or transfers all assets, rights or the entire portion of the assets or rights required to perform this Agreement, a successor in interest must guarantee to perform all obligations under this Agreement. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with the pricing under this agreement, TIPS shall have the ability to conduct the audit internally or may engage a third- party auditing firm to investigate any possible non- compliant conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format and at the location acceptable to Region 8 ESC or TIPS. 4**Indemnification**

The ESC Region 8 and TIPS is a Texas Political Subdivision and a local governmental entity; therefore, is prohibited from indemnifying third parties pursuant to the Texas Constitution (Article 3, Section 52) except as specifically provided by law or as ordered by a court of competent jurisdiction. A provision in a contract to indemnify or hold a party harmless is a promise to pay for any expenses the indemnified party incurs, if a specified event occurs, such as breaching the terms of the contract or negligently performing duties under the contract. Article III, Section 49 of the Texas Constitution states that "no debt shall be created by or on behalf of the State ... " The Attorney General has counseled that a contractually imposed obligation of indemnity creates a "debt" in the constitutional sense. Tex. Att'y Gen. Op. No. MW-475 (1982). Contract clauses which require the System or institutions to indemnify must be deleted or qualified with "to the extent permitted by the Constitution and Laws of the State of Texas." Liquidated damages, attorney's fees, waiver of vendor's liability, and waiver of statutes of limitations clauses should also be deleted or qualified with "to the extent permitted by the Constitution and laws of State of Texas."

Insurance and Fingerprint Requirements Information

Insurance

If applicable and your staff will be on TIPS member premises for delivery, training or installation etc. and/or with an automobile, you must carry automobile insurance as required by law. You may be asked to provide proof of insurance.

Fingerprint

It is possible that a vendor may be subject to Chapter 22 of the Texas Education Code. The Texas Education Code, Chapter 22, Section 22.0834. Statutory language may be found at: <http://www.statutes.legis.state.tx.us/>

If the vendor has staff that meet both of these criterion:

- (1) will have continuing duties related to the contracted services; and
- (2) has or will have direct contact with students

Then you have "covered" employees for purposes of completing the attached form.

TIPS recommends all vendors consult their legal counsel for guidance in compliance with this law. If you have questions on how to comply, see below. If you have questions on compliance with this code section, contact the Texas Department of Public Safety Non-Criminal Justice Unit, Access and Dissemination Bureau, FAST-FACT at NCJU@txdps.state.tx.us and you should send an email identifying you as a contractor to a Texas Independent School District or ESC Region 8 and TIPS. Texas DPS phone number is (512) 424-2474.

Texas Education Code Chapter 22 Contractor Certification for Contractor Employees

Introduction: Texas Education Code Chapter 22 requires entities that contract with school districts to provide services to obtain criminal history record information regarding covered employees. Contractors must certify to the district that they have complied. Covered employees with disqualifying criminal histories are prohibited from serving at a school district.

Definitions: Covered employees: Employees of a contractor or subcontractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students. Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school:

(a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state.

I certify that:

NONE (Section A) of the employees of Contractor and any subcontractors are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that the employees of Contractor and any subcontractor will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

OR

SOME (Section B) or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that:

(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

(2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.

(3) Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees.

(4) If the District objects to the assignment of a covered employee on the basis of the covered employee's criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at the District.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

5**Texas Business and Commerce Code § 272 Requirements as of 9-1-2017**

SB 807 prohibits construction contracts to have provisions requiring the contract to be subject to the laws of another state, to be required to litigate the contract in another state, or to require arbitration in another state. A contract with such provisions is voidable. Under this new statute, a "construction contract" includes contracts, subcontracts, or agreements with (among others) architects, engineers, contractors, construction managers, equipment lessors, or materials suppliers. "Construction contracts" are for the design, construction, alteration, renovation, remodeling, or repair of any building or improvement to real property, or for furnishing materials or equipment for the project. The term also includes moving, demolition, or excavation. BY RESPONDING TO THIS SOLICITATION, AND WHEN APPLICABLE, THE PROPOSER AGREES TO COMPLY WITH THE TEXAS BUSINESS AND COMMERCE CODE § 272 WHEN EXECUTING CONTRACTS WITH TIPS MEMBERS THAT ARE TEXAS GOVERNMENT ENTITIES.

Company History

Beginning as a single office serving one local area, Simon Roofing has grown to become a national, multi-faceted commercial roofing company with an employee base of more than 700 people and a footprint of 66 service centers across the entire country.

Simon Roofing's business model of manufacturer and installer allows us to stand behind both our products and service, assuring our clients we maintain full accountability for our materials and workmanship.

Well into our second century of continuous operation, Simon Roofing is currently owned and managed by the third and fourth generations of the Simon family who, like the previous generations, always believe in providing customers with the best possible level of service, and making safety a top priority.

This business philosophy is one that has been and will continue to be carried on by Simon Roofing and its affiliated companies – Simon Surfaces and Simon Products.

From the President

Having worked at Simon for more than 35 years, I take great pride in our company's unwavering commitment to honesty, integrity and truly caring about both its employees and customers. This is a tradition that's been built over the course of its 100+ year history.

Because our #1 core value is safety, and we recognize that our employees are our most important asset, extensive training in safe work practices begins the moment our employees are hired and continues throughout their careers. We also continually assess our work methods, looking for ways to bring even greater safety to our job sites and to the materials and equipment we use every day.

We take safety very seriously so Simon employees are encouraged to take an active role in promoting safety. Therefore, making suggestions is not only welcomed, but is also rewarded. Employees understand they are required to immediately report any unsafe conditions on the job site to their supervisor, and if immediate corrective action is not taken, they are to contact Simon's Safety and Health Manager.

Our ongoing focus on safety is not only for the benefit of our employees, but also for our customers. We want you to know our efforts are aimed at reducing any risk of liability for job-related accidents and the downtime these incidents can bring about.

If you have questions regarding our safety practices or anything else, I welcome you to contact me directly at 800.325.3592 or stevem@simonroofing.com.

The Science of Roofing

Our focus is always to extend a roof's service life and lower its life cycle costs. We look at roof replacements only as a last resort, which is why we've dedicated so much time, money and resources to the science of roofing.

At our Simon Products manufacturing facility, we test, create and produce our own high-quality roofing and epoxy products. Within our in-house SR PreVision laboratory, our highly educated scientists conduct extensive product research and development, as well as state-of-the-art roof membrane testing and analysis. Savvy, budget-conscious clients have come to rely on us to not only tell them what the best course of action is for their specific roof, but to also show them scientific data proving its remaining useful life and best options for extending it.

Commitment to Excellence

We are very proud of the ISO 9001:2015 certification Simon Roofing has earned for our entire organization; including our product development and manufacturing, customer service, sales, professional services and our roof installation teams. This serves as an example of our commitment to deliver on our promise of high-quality commercial roofing products and exceptional service. Every day. Every job. Every client.

Simon Surfaces

Concrete Repairs & Resurfacing

Our concrete repair services provide quick and economical solutions for repairing, resurfacing and/or rebuilding cracked or damaged concrete surfaces in both industrial and commercial environments.

When compared to standard concrete replacements, Simon Surfaces' epoxy-mortar solutions are:

- 2-3 times stronger than standard concrete
- Resistant to standard chemicals like gas, oil and salt
- Less disruptive to business with minimal downtime

Our epoxy-based mortar products include patches, crack fill and heavy duty 1/4" overlays.

High-Performance Coating Systems

Whether it's for industrial or commercial applications, Simon Surfaces' epoxy flooring and coating options are proven to deliver the high-performance, durability, aesthetics and low-maintenance characteristics you're looking for.

Fuel Island Restorations

Epoxy mortar products work especially well in fuel island foundation applications because the pump does not need to be removed, significantly minimizing the station's downtime.

And, because our epoxy is significantly stronger than standard concrete, our restoration system completely eliminates the need for a metal band, meaning no more risk of rust for you.

Simon Products

Through our state-of-the-art laboratory and manufacturing facility, Simon Products serves as the product development and manufacturing division of Simon Roofing.

Our manufacturing facility incorporates contemporary “LEAN manufacturing” principles focused on minimum waste and maximum productivity. This includes intense quality control standards that ensure our products are produced consistently time and time again, maximizing customer satisfaction and minimizing waste.

When it comes to testing the strength, durability and performance of roofing materials, Simon Products is a national leader. While some companies may test individual components of a product, we test the entire system, which leads to accurate, data-rich, science-based results that are truly indicative of a system's performance.

Our focus on product testing has triggered innovations within our roofing materials, causing them to be brighter, more reflective and fortified to improve elongation and tensile strength – all characteristics important for roof systems to perform best in specific climates.

The CLP™+ Roofing Systems, the most recent product to be added to our lineup, are technologically advanced multi-ply seamless roof replacement options that offer weathering characteristics far superior to industry standard singly-ply solutions.

Safety Statement

Safety is #1 among our core values, and we are very proud of our safety record, which continues to be better than most in the roofing industry.

The most reliable indicator of a company's safety record is its Experience Modification Rate. This figure is derived by the insurance industry using a complex formula that takes into account many factors, including payroll, man hours worked and various losses that can be attributed to the industry as a whole. Any figure higher than 1.0 is a debit modification and will result in higher insurance premiums. Figures below 1.0 are credits and result in lower premiums. Simon's present Experience Modification Rate of .72 is a true testament to Simon's commitment to continuously monitoring and looking for ways to improve our safety record.

The Incident Rate is the primary indicator of safety performance that is widely used throughout the industry. Incident Rates are fairly easy to figure out and can be compared between one company and another. Incident Rates are measurements of past performance and illustrate how many work-related incidents have occurred, as well as the severity of each one.

In 2018, Simon posted a 1.84 incident rate which is 57% lower than the industry average of 4.4. Simon Roofing's commitment to safety is relentless and includes training for all of its employees — both on and off the roof. Our ongoing goal is to lower the Incident Rate and decrease the Experience Modification Rate year after year.

We strive to always provide a work environment (both at our offices and on our jobs), which is inherently safe and free from all recognizable hazards and situations that could result in injury or illness to our employees. In accordance with this value, we develop a Site Specific Safety Plan when necessary. Otherwise, each job begins with the completion of a Job Safety Analysis (JSA) that is first reviewed, depending on the task, by either the Service or Operations Manager and then by the Simon Roofing Environmental Health & Safety Department.

Safety Practices

Safety remains a priority in every aspect of our business. Core values, proper processes and the safety manual are reviewed in detail during new employee orientation and safety training to ensure we convey the importance of practicing safety. Our safety manual stands as a ready reference at all times whenever Simon Roofing personnel are on the job. Topics include, but are not limited to:

- Fall Protection Policy
- Drug and Alcohol Policy and Procedures
- Hazard Communication Policy
- Manual Lifting Policy
- Personal Protective Equipment
- General Operating Policies and Procedures
- Electrical and GFCI
- Propane Cylinders
- First Aid Procedures
- Hoist Safety
- Ladder Safety
- Accident/Incident/Near-Miss Reporting
- Disciplinary Measures for Safety Violations
- Respiratory Protection Program
- Kettle and Tanker Operation Safety
- Fleet Safety Management

Safety Training

All new workers hired by Simon Roofing go through a facilitated, web-based, interactive safety orientation process that typically lasts five to six hours. Written materials, including the Simon Safety Manual and a guide on how to read Material Safety Data Sheets and current Safety Data Sheets, are introduced and reviewed. The training culminates with a series of tests that are designed to measure understanding and mastery of critical safety topics.

All Simon employees receive ongoing safety training through weekly “Toolbox Talk” sessions, which are led by a Safety Coordinator on the jobsite. Topics range from general safety concerns to specific ones that may arise due to the nature of the jobsite or the work being performed.

Simon Roofing is unique in that it has its own specialized “Train the Trainer” program for Aerial Lifts, Forklifts, Man lifts and HyLifts (Lulls) so that our workers understand the hazards specific to our work, not just generic training meant to meet OSHA requirements. This training is documented and tracked for any employee required to perform such tasks.

We provide our own in-house OSHA 10 Hour Training, tailored to fit our specific type of work. Supervisors also receive more intensive safety training, with many completing the 30-hour OSHA approved courses.

On-Site Safety

Site Inspections

Job safety is really the product of two factors — the training Simon employees receive and the conditions on the job site. We provide comprehensive site-specific safety plans that we believe are the best in the industry. To ensure that conditions are optimal for safety, all Simon Roofing job sites are inspected on an ongoing basis as follows:

Pre-Job

The Operations Manager, General Manager or Safety Coordinator walk the job site with the Project Manager and/or Foreman. While the latter are viewing the site from the standpoint of equipment and materials needed to perform the roofing job, the Safety Coordinator is looking at particular safety challenges the job may pose and what additional equipment and procedures may be necessary to ensure safety.

Daily

The Safety Coordinator's everyday function is to assess the job site to ensure all safety requirements are being met at all times.

Periodic

General Managers and Operations Managers typically visit every Simon job in progress at least weekly.

Unannounced

Unannounced inspections are conducted by the insurance company or Simon personnel.

The Safety Team

Simon Roofing employs a Safety Governance Committee that is led by our Chief Legal Counsel and includes several owners and executives. The “Safety Steering Team” consists of leaders from all areas of our business and branches.

Hazardous Materials

Simon Roofing has highly trained and experienced Asbestos Supervisors and Asbestos Technicians who are strategically located across the country. We have training, equipment and protocols for protecting our workers from air contaminants, including volatiles and heavy metals such as lead, cadmium, chromium and arsenic.
