

TIPS VENDOR AGREEMENT

Between SOLIX, INC. and _____
(Company Name)

THE INTERLOCAL PURCHASING SYSTEM (TIPS),
a Department of Texas Education Service Center Region 8 for
TIPS RFP 200601 Consulting and Other Related Services

General Information

The Vendor Agreement ("Agreement") made and entered into by and between The Interlocal Purchasing System (hereinafter "TIPS") a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686 and the TIPS Vendor. This Agreement consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

A Purchase Order ("PO"), Agreement or Contract is the TIPS Member's approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the possible addendums.

Terms and Conditions

Freight

All quotes to Members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating "No Charge", "\$0", "included in price" or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award.

Warranty Conditions

All new supplies equipment and services shall include manufacturer's minimum standard warranty unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal ("RFP") category. All goods proposed and sold shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion.

Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

Assignments of Agreements

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

Disclosures

- Vendor and TIPS affirm that he/she, or any authorized employees or agents, has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term of Agreement and Renewals

The Agreement with TIPS is for approximately three (3) years with an option for renewal for an additional one (1) consecutive year if both parties agree. TIPS may or may not exercise the available extension(s) provided in the original solicitation beyond the base three-year term. Whether or not to offer the extension is at the sole discretion of TIPS.

"Start Date" for Term Calculation Purposes Only: Regardless of actual award/effective date of Contract, for Agreement "term" calculation purposes only, the Agreement "start date" is the last day of the month that Award Notifications are anticipated as published in the Solicitation.

Example: *If the anticipated award date published in the Solicitation is May 22, but extended negotiations delay award until June 27, the end date of the resulting initial "three-year" term Agreement, (which is subject to an extension(s)) will still be May 31, 2023.*

"Termination Date": The scheduled Agreement "termination date" shall be the last day of the month of the month of the Solicitation's Anticipated Award Date, published in the Solicitation, plus three years.

Example: *If the original term is approximately three years, and the solicitation provides an anticipated award date of May 22, 2020, the expiration date of the original three-year term shall be May 31, 2023.*

Extensions: Any extensions of the original term shall begin on the next day after the day the original term expires.

Example Following the Previous Example: *If TIPS offers a one-year extension, the expiration of the extended term shall*

be May 31, 2024.

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

Each invoice or pay request shall include the TIPS Member's purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the Vendor Assigned Dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned Dealer. Vendor, Reseller or Vendor Assigned Dealer agrees to pay the participation fee to TIPS for all Agreement sales upon receipt of payment including partial payment, from the Member Entity or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the

legally effective fee for that amount is due to TIPS from the Vendor.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. When a public entity initiates a purchase with a TIPS Awarded Vendor, if the Member inquires verbally or in writing whether the Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether or not the Member is seeking a TIPS purchase. Once verified, the Vendor must include the TIPS Contract number on any communications and related sales documents exchanged with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at https://www.tips-usa.com/vendors_form.cfm and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the Vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be

construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a Purchase Order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement Number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

Awarded Vendor shall maintain, in current status, all federal, state and local licenses, bonds and permits required for the operation of the business conducted by awarded Vendor. Awarded Vendor shall remain reasonably fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of goods or services under the Agreement. TIPS and TIPS Members reserves the right to stop work and/or cancel an order or terminate this or any other sales Agreement of any awarded Vendor whose license(s) required for performance under this Agreement have expired, lapsed, are suspended or terminated subject to a 30-day cure period unless prohibited by applicable statute or regulation.

Novation

If awarded Vendor sells or transfers all assets, rights or the entire portion of the assets or rights required to perform this Agreement, a successor in interest must guarantee to perform all obligations under this Agreement. A simple change of name agreement will not change the Agreement obligations of awarded vendor. TIPS will consider Contract Assignments on a case by case basis. TIPS must be notified within five (5) business days of the transfer of assets or rights.

Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with the pricing under this agreement, TIPS shall have the ability to conduct the audit internally or may engage a third- party auditing firm to investigate any possible non- compliant conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format and at the location acceptable to Region 8 ESC or TIPS. Indemnification

The ESC Region 8 and TIPS is a Texas Political Subdivision and a local governmental entity; therefore, is prohibited from indemnifying third parties pursuant to the Texas Constitution (Article 3, Section 52) except as specifically provided by law or as ordered by a court of competent jurisdiction. A provision in a contract to indemnify or hold a party harmless is a promise to pay for any expenses the indemnified party incurs, if a specified event occurs, such as breaching the terms of the contract or negligently performing duties under the contract. Article III, Section 49 of the Texas Constitution states that "no debt shall be created by or on behalf of the State ... " The Attorney General has counseled that a contractually imposed obligation of indemnity creates a "debt" in the constitutional sense. Tex. Att'y Gen. Op. No. MW-475 (1982). Contract clauses which require the System or institutions to indemnify must be deleted or qualified with "to the extent permitted by the Constitution and Laws of the State of Texas." Liquidated damages, attorney's fees, waiver of vendor's liability, and waiver of statutes of limitations clauses should also be deleted or qualified with "to the extent permitted by the Constitution and laws of State of Texas."

Definitions: Covered employees: Employees of a contractor or subcontractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students. Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school:

(a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state.

I certify that:

NONE (Section A) of the employees of Contractor and any subcontractors are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that the employees of Contractor and any subcontractor will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

OR

SOME (Section B) or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that:

(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

(2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.

(3) Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees.

(4) If the District objects to the assignment of a covered employee on the basis of the covered employee's criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at the District.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

5**Texas Business and Commerce Code § 272 Requirements as of 9-1-2017**

SB 807 prohibits construction contracts to have provisions requiring the contract to be subject to the laws of another state, to be required to litigate the contract in another state, or to require arbitration in another state. The term also includes moving, demolition, or excavation. BY RESPONDING TO THIS SOLICITATION, AND WHEN APPLICABLE, THE PROPOSER AGREES TO COMPLY WITH THE TEXAS BUSINESS AND COMMERCE CODE § 272 WHEN EXECUTING CONTRACTS WITH TIPS MEMBERS THAT ARE TEXAS GOVERNMENT ENTITIES.

COMPANY OVERVIEW

Incorporated in 2000 in the State of Delaware, Solix, Inc. is a privately-held, shareholder-owned corporation headquartered in Parsippany, NJ. Solix has an extensive history of providing consulting and program administration services to government, education, and commercial clients across a wide range of public benefit programs.

In 2017, Solix purchased Sivic Solutions Group (“SSG” or “Sivic”). This acquisition allowed us to expand our expertise and the services we provide to include consulting, systems, and operations support. We specialize in assisting school districts with Medicaid claiming, as well as state and county health and human service agencies and juvenile justice agencies with cost recovery and cost allocation.

SOLIX CONSULTING SERVICES

A client-focused company, Solix brings vast knowledge, expertise, experience and technology solutions to optimize our clients’ program funding. Our clients view us as their partner in achieving their strategic objectives. We have earned this privileged status through our emphasis on customer service and dedication to constant evaluation and improvement of business processes.

With a long history of innovation, Solix has demonstrated its ability to identify, recommend, and implement continuous improvements in collaboration with our clients.

E-Rate Consulting

Solix is the only E-rate consulting firm to have ever administered the FCC E-rate program on behalf of USAC. As such, we have unparalleled insight into the E-rate program, including: the FCC rules and guidelines; the filing processes; common and uncommon errors that delay funding; roadblocks that may impede the review and funding commitment; and best practices for competitive bidding, appeals processing, and invoicing. Solix is extremely well-versed in the E-rate application and form filing process, and possesses the knowledge and insight to assist our clients in achieving their goals while maintaining compliance with the E-rate program rules.

Solix possesses the most E-rate experience in the nation having served as the E-rate business process solution provider from 1998 through Dec. 2018.

As the team that developed and maintained the E-rate application review procedures, we understand the steps that are followed, how the program rules are applied, and the characteristics of a compliant and high quality application. We apply our knowledge and experience to guide our clients toward successful outcomes and maximal benefit.

On behalf of the TIPS members, Solix provides an array of E-rate consulting and support services, as described in the following.

Solix will manage and support all aspects of the E-rate Program on behalf of TIPS members, customizing our support and communications to the member's specific needs. Solix will be available to represent the member in all interactions with USAC or the FCC and act on their behalf to file and certify all forms and motions in a timely manner necessary to secure maximum funding.

As illustrated in the below *Figure 1: Solix E-rate Process Flow* Solix will provide the following services including, but not limited to, assisting all entities that need to assess and plan, competitive bid, apply for discounts, and handle post commitment process, service starts, and invoicing.

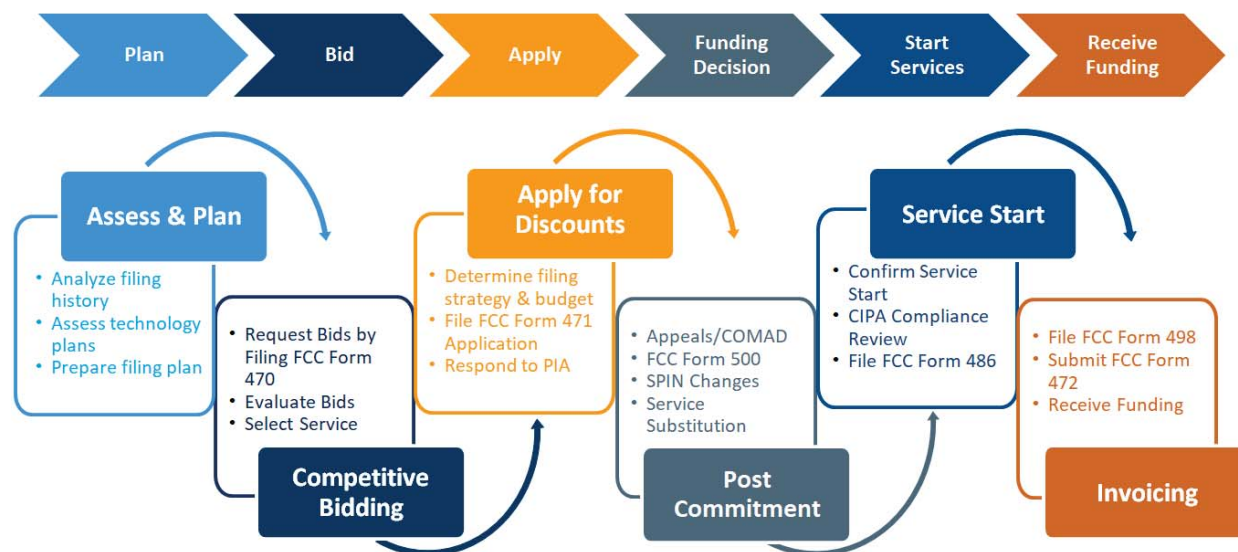

Figure 1. Solix manages the E-rate process on behalf of our clients at every step of the E-rate cycle.

In addition to the above, Solix will provide training, tracking, and reporting on all aspects of the E-rate Program and the consortium member's standing and statuses within it. We will accomplish all stated phases beginning at the planning stage with understanding the member's needs for each filing year and multi-year forecasts and plans, and we will manage every aspect of the process through receipt of funding. As needed, we will provide support for any waivers, appeals, and audits. As part of our support services, the consortium member will have access to the tools and resources needed to maintain successful compliant E-rate cycles year after year.

Solix understands the importance of maintaining communication with the member and ensuring they are informed regarding application status including successes and any potential issues. Solix

will actively participate in scheduled meetings with ESD 112 and your members. Most importantly, our Consultant Team is available to support the member's day-to-day requirements, answer questions as they arise, and work in collaboration with the member toward expedient problem resolution.

Assess and Plan

Program success begins with proper planning. As we collaboratively plan for each new funding year, the Solix E-rate Consultant Team will meet with the member to gather information, review and assess historical funding requests, and discuss their technology plans and special education initiatives. This stage will lay the foundation for planning a successful E-rate filing that will best meet the client's needs. In addition to providing our clients with a timeline for all activities necessary for successful filing for the current funding year, the following are a few of the activities that the consortium members can expect will take place during the annual planning cycle to assist in developing the most appropriate strategy for the upcoming E-rate year, as well as their long term connectivity goals:

- Review changes to the member's technology plans, digital education initiatives, long-term connectivity goals, and device accessibility guidelines;
- Review past filing history, provide an assessment of any filing issues, and identify opportunities to improve funding outcomes or avoid funding delays;
- Review Category 2 budget and filing history to determine remaining fund availability and strategically take advantage of funding opportunities;
- Identify specific needs for Category 1 and Category 2 services; keeping in mind capacity planning and useful life of equipment;
- Review the enrollment and National School Lunch Program (NSLP) data currently listed in the EPC portal for all participating schools and identify and submit necessary updates based on current enrollment;
- Review and communicate changes to eligible products and services;
- Identify and review any new or changed State procurement guidelines; and
- Discuss strategies for effective competitive bidding.

Assess & Plan

- Analyze filing history
- Assess technology plans
- Prepare filing plan

Competitive Bidding

The competitive bidding process is intended to identify the most cost-effective solutions available. Evidence has shown that engaging in competitive bidding will drive costs down over time.

- Request Bids by Filing FCC Form 470
- Evaluate Bids
- Select Service Provider

Competitive Bidding

Done well, a district should see that they are able to attain higher bandwidths for reduced costs. Too often schools do not effectively utilize the competitive bidding process, which can lead to higher than necessary prices or in some cases funding denials. Competitive bidding violations are one of the top 5 reasons for funding denials.

Solix will provide competitive bidding support that begins in the planning stage by properly identifying objectives and gathering necessary state procurement information and ends with selecting vendors based on well-crafted evaluation criteria. The list below reflects our support for competitive bidding processes.

- Recommend strategies for competitive filing based on best practices;
- Provide guidance and review support for RFP documents to ensure program compliance and attention to strategies;
- Prepare and file the FCC Form 470;
- Perform all necessary actions to ensure compliant procurement processes including but not limited to:
 - Arrange and coordinate any procurement events needed (e.g. bidders conference);
 - Upload any and all changes to the procurement documents in to EPC (e.g. questions and answers provided to various vendors during the questions timeframe to ensure all vendors have access to the same information.);
 - Receive all bids and gather all documents;
 - Organizing bids to facilitate easier evaluation by the member; and
 - Providing the member with all necessary tools to evaluate all bids and select a vendor;
- Provide all necessary tools to sign a compliant contract for services with each chosen vendor; and
- Communicate regularly and apprise the member on items requiring action.

Apply for Discounts

Data supports that the earlier an application for discounts is filed, the more likely it will be processed earlier. Working with our clients to adequately prepare and file early will be built into the timelines distributed during our planning phase.

As a result of our unique history working with USAC to process and review all applications, Solix Consultants are very well-versed in navigating through EPC and what may trigger applications for more extensive reviews that can lead to delays. Likewise, we are

- Determine filing strategy & budget
- File FCC Form 471 Application
- Respond to PIA

also knowledgeable about how applications can be best structured to maximize funding, and how to avoid the most common filing mistakes.

As the team who wrote most of the PIA and Selective Review procedures, we are in a unique position to work on behalf of the consortium member to minimize issues and resolve any PIA or selective reviews expeditiously.

The following is what the participating member can expect from its Solix Consultant at this stage:

- Compliant competitive bidding requirements will be satisfied prior to filing;
- Verification that all services are eligible for discounts;
- Each Form 471 will be structured in a way that allows for swift processing and avoidance of common issues that large applications may encounter;
- Manage all aspects of filing through the EPC interface;
- Respond to all PIA and SRIR inquiries;
- Apprise the district of all questions received and the answers submitted; and
- Review all Funding Commitment Decision Letter (FCDL) with the client to plan for next steps.

Solix is aware of all EPC system limitations as well as how to work around those limitations especially for large applications such as those submitted on behalf of the client.

Post-Commitment

Errors and changes are often inevitable in complex programs such as E-rate. Compounding these issues, systems that are not the most user-friendly or forgiving can result in problems that make filing change requests necessary. Since Solix' strategy is focused on good planning and we know the most common E-rate filing pitfalls, our goal will be to minimize the need or volume of post-commitment actions. However, when called for, Solix will provide the TIPS member full post-commitment support including, but not limited to, the actions listed below.

- Appeals/COMAD
- FCC Form 500
- SPIN Changes
- Service Substitution

**Post
Commitment**

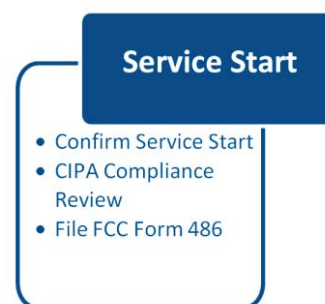

- Review all funding reductions or denials and file appeals as justified;
- File Form 500s based on recommendations to the client to reduce or cancel commitments in cases where it is necessary to bring entities within the current year allotted budget; or to simply reduce commitments that will not be used;

- File Service Substitutions and related inquiries in cases where the district may desire to switch products/services and changes fall within allowable program parameters; and
- Submit necessary Service Provider Identification Number (SPIN) change requests (operational or corrective), when allowable under program rules, and address all associated correspondence.

During our tenure with the E-rate Program, Solix has processed more than 2,400 post-commitment forms annually and created the review process of these forms in EPC. This places us in the most unique position to ensure the member's success in all of these processes as we know what information will be needed for the Administrator to process these forms quickly.

Service Start

Based on our experience with the E-rate Program, we have learned that late filings or not filing the appropriate form in the time between funding decisions and invoicing is the number one reason for funding reductions. Confirming the service start date and Children's Internet Protection Act (CIPA) compliance is necessary prior to invoicing as this provides USAC the ability to track the funding and make any adjustments based on service start dates, if needed. Solix understands the unique differences in service start date rules for categories of service and how to avoid common pitfalls. We are extremely well-versed in this process as our Consultants have reviewed more than 1,100 Form 486's, annually.

When the client is ready to start receiving the services funded by E-rate, they can expect the following from its Solix E-rate Consulting Team:

- Prior to the beginning of the funding year or service implementation date, Solix will once again review with the TIPS member all funded services, anticipated and actual service start dates, and CIPA compliance components to start the next phase of the E-rate cycle;
- Review and confirm CIPA compliance certification components to identify any gaps and mitigate any risks;
- File Form 486 in EPC, confirming the receipt of services and stipulating CIPA certification;
- File all necessary forms with USAC to adjust the dates in the event of any delays in starting or implementing any services; and
- Use best practices developed over years of processing Form 486s to avoid issues that could lead to funding reductions or denials.

Invoicing

The invoicing process for E-rate can be tedious and time consuming. Solix possesses intimate knowledge of common invoicing issues and how to proactively mitigate and resolve such issues. Solix will utilize this knowledge to secure, streamline, and automate the member's invoice process.

It is important to note that USAC's invoice process is on the verge of major changes as this process is still currently administered in the USAC's legacy systems. When USAC decides to integrate this process into the EPC system, the applicant will benefit greatly from having Solix as their partner in navigating USAC's new process.

Solix invoice services include:

- Preparing and filing all necessary BEAR forms in order to seek reimbursements for discount amounts;
- Address all USAC documentation requests related to the submitted BEAR forms;
- Track committed amounts, disbursed funds, and the balance of funds remaining to be disbursed for all FRNs;
- Manage the end-to-end Invoice process, working with the TIPS member to verify that services have been delivered;
- Provide step-by-step guides and arrange for extended support to assist the member with forms that must be completed; and
- Provide best practices and process for automation, where applicable to allow the member's future administrative burden to be minimal.

Other E-rate Processes and Solix Support

E-rate is an ongoing and ever-evolving process that changes with new FCC rules and subsequent process and system changes. We know that things may not always go as planned; therefore, Solix will also provide full support on all other processes as listed below (when needed).

- As the main point of contact for the district, Solix will represent the member's interests in responding to questions and preparing for a program audit.
- We will provide all documentation to the district prior to submission to USAC SLD.
- We will analyze the current process for documentation retention and implement additional best practices.
- Analyze past years' funding commitments in order to identify the reasons for current delays, funding denials and reasons for denial and strategize and utilize best practices to attempt to recover those funds.
- Monitor each application with program deadlines for filing Form 470, Form 471, Form 486, BEAR forms, and advise the client of any pending deadlines.
- Serve effectively as liaison with the FCC and SLD as unique problems and issues arise in order to facilitate resolution of the problem or issue. Solix will maintain communication with the district in order to keep the district informed of all issues that are currently being discussed.
- Maintain strict confidentiality with all materials and information obtained.

With Solix providing a full-level of support, guidance, and navigating the tedious E-rate processes, our clients' administration burden is reduced ensuring success year after year.
