If no charge for freight or shipping, indicate by stating “No Charge”, “\$0”, “included in price” or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award.

All new supplies equipment and services shall include **manufacturer's minimum standard warranty** unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal (“RFP”) category. The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion.

Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

Assignments of Agreements

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

Disclosures

- Vendor and TIPS affirm that he/she, or any authorized employees or agents, has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term of Agreement and Renewals

The Agreement with TIPS is for approximately **three (3)** years with an option for renewal for an additional **one (1)** consecutive **year**. If TIPS offers the renewal extension year, the Vendor will be notified by email to the primary contact of the awarded Vendor and shall be deemed accepted by the Vendor unless the awarded Vendor notifies TIPS of its objection to the additional term. TIPS may or may not exercise the available extension(s) provided in the original solicitation beyond the base **three-year** term. Whether or not to offer the extension is at the sole discretion of TIPS.

“Start Date” for Term Calculation Purposes Only: Regardless of actual award/effective date of Contract, for Agreement “term” calculation purposes only, the Agreement “start date” is the last day of the month that Award Notifications are anticipated as published in the Solicitation

Example: *If the anticipated award date published in the Solicitation is May 22, but extended negotiations delay award until June 27, The end date of the resulting initial “three-year” term Agreement, (which is subject to an extension(s)) will still be May 31, 2023.*

“Termination Date”: The scheduled Agreement “termination date” shall be the last day of the month of the month of the Original Solicitation's Anticipated Award Date plus **three years**.

Example: *If the original term is approximately three years, and the solicitation provides an anticipated award date of May 22, 2020, the expiration date of the original three-year term shall be May 31, 2023.*

Extensions: Any extensions of the original term shall begin on the next day after the day the original term expires.

Example Following the Previous Example: *If TIPS offers a one-year extension, the expiration of the extended term shall be May 31, 2024.*

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

Each invoice or pay request shall include the TIPS Member's purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the Vendor Assigned Dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned

Dealer. Vendor, Reseller or Vendor Assigned Dealer agrees that the participation fee is due to TIPS for all Agreement sales immediately upon receipt of payment including partial payment, from the Member Entity and must be paid to TIPS at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently, or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the legally effective fee for that amount is immediately due to TIPS from the Vendor and fees due to TIPS should be paid at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. When a public entity initiates a purchase with a TIPS Awarded Vendor, if the Member inquires verbally or in writing whether the Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether or not the Member is seeking a TIPS purchase. Once verified, the Vendor must include the TIPS Contract number on any communications and related sales documents exchanged with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at https://www.tips-usa.com/vendors_form.cfm and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the Vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a Purchase Order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement Number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

This information will appear on the TIPS website in the company profile section, if awarded a TIPS contract. (Limit 750 characters.)

Emeco started in 1944, founded on the principle "Begin with what's left over. Turn it into what will last." We took salvaged aluminum and made chairs for the US Navy. A war-time necessity. That became an ongoing direction. Today it's scrap plastic. We keep it out of oceans and landfills and instead turn it into furniture that lasts. A planet necessity.

Furniture for tough commercial environments? Not a problem. Our first chair, the 1006 Navy chair, was built in 1944 in Hanover, PA, to withstand torpedo blasts. We've been making resilient and reliable furniture ever since. All using sustainable materials. All made in the USA. Using only the healthiest, non-toxic ingredients, we engineer our furniture to stand the test of time.

6 **Indemnification**

4

The ESC Region 8 and TIPS is a Texas Political Subdivision and a local governmental entity; therefore, is prohibited from indemnifying third parties pursuant to the Texas Constitution (Article 3, Section 52) except as specifically provided by law or as ordered by a court of competent jurisdiction. A provision in a contract to indemnify or hold a party harmless is a promise to pay for any expenses the indemnified party incurs, if a specified event occurs, such as breaching the terms of the contract or negligently performing duties under the contract. Article III, Section 49 of the Texas Constitution states that "no debt shall be created by or on behalf of the State ... " The Attorney General has counseled that a contractually imposed obligation of indemnity creates a "debt" in the constitutional sense. Tex. Att'y Gen. Op. No. MW-475 (1982). Contract clauses which require the System or institutions to indemnify must be deleted or qualified with "to the extent permitted by the Constitution and Laws of the State of Texas." Liquidated damages, attorney's fees, waiver of vendor's liability, and waiver of statutes of limitations clauses should also be deleted or qualified with "to the extent permitted by the Constitution and laws of State of Texas."

It is possible that a vendor may be subject to Chapter 22 of the Texas Education Code. The Texas Education Code, Chapter 22, Section 22.0834. Statutory language may be found at: <http://www.statutes.legis.state.tx.us/>

Texas Education Code Chapter 22 Contractor Certification for Contractor Employees

Introduction: Texas Education Code Chapter 22 requires entities that contract with school districts to provide services to obtain criminal history record information regarding covered employees. Contractors must certify to the district that they have complied. Covered employees with disqualifying criminal histories are prohibited from serving at a school district.

Definitions: Covered employees: Employees of a contractor or subcontractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students. Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school:

(a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state.

I certify that:

NONE (Section A) of the employees of Contractor and any subcontractors are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that the employees of Contractor and any subcontractor will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

OR

SOME (Section B) or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that:

(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

(2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.

(3) Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees.

(4) If the District objects to the assignment of a covered employee on the basis of the covered employee's criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at the District.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

7 **Texas Business and Commerce Code § 272 Requirements as of 9-1-2017**

5 SB 807 prohibits construction contracts to have provisions requiring the contract to be subject to the laws of another state, to be required to litigate the contract in another state, or to require arbitration in another state. A contract with such provisions is voidable. Under this new statute, a “construction contract” includes contracts, subcontracts, or agreements with (among others) architects, engineers, contractors, construction managers, equipment lessors, or materials suppliers. “Construction contracts” are for the design, construction, alteration, renovation, remodeling, or repair of any building or improvement to real property, or for furnishing materials or equipment for the project. The term also includes moving, demolition, or excavation. BY RESPONDING TO THIS SOLICITATION, AND WHEN APPLICABLE, THE PROPOSER AGREES TO COMPLY WITH THE TEXAS BUSINESS AND COMMERCE CODE § 272 WHEN EXECUTING CONTRACTS WITH TIPS MEMBERS THAT ARE TEXAS GOVERNMENT ENTITIES.

rick.powell@tips-usa.com

86 **Choice of Law clauses with TIPS Members**

88 Automatic renewal of contracts or agreements with TIPS or a TIPS member entity

This clause **DOES NOT** prohibit multiyear contracts or agreements with TIPS member entities. Because TIPS and TIPS members are governmental entities subject to laws that control appropriations of funds during their fiscal years for contracts and agreements to provide goods and services, does the Vendor agree to limit any automatic renewal clauses of a contract or agreement executed as a result of this TIPS solicitation award to not longer than "month to month" and at the TIPS contracted rate.

Agreement is a required condition to award of a contract resulting from this Solicitation.

90 Arbitration Clauses

MAINTENANCE AND CARE

Our first product, the Navy Chair, was made in 1944 to withstand the toughest conditions. Today our products are still designed and built to last. Part of that is ensuring they can be cleaned to keep them looking good for a long time and to help maintain a healthy environment - at home or in public settings, such as hospitality, corporate or healthcare environments.

All our recycled plastic and hand brushed aluminum chairs and stools are bleach cleanable. Hydrogen peroxide-based cleaners may also be used, dilution level 1:10. Please see detailed product specific info below.

Aluminum has anti-bacterial properties, making it a desirable material for sensitive settings such as healthcare environments, where it also performs exceptionally well from a maintenance standpoint.

To keep your Emeco furniture looking good, find the suitable care instructions for your product below.

BRUSHED FINISH

Anodizing changes the aluminum surface to aluminum oxide, a super-strong material.

Anodized aluminum is corrosion-proof and can be used outdoors, however we suggest cleaning with soap and water every two weeks to remove grit and other air pollutants that can pit the surface.

Emeco Navy chairs and stools with brushed finish are bleach cleanable. Hydrogen peroxide based cleaners (dilution level 1:10) may also be used.

Daily Cleaning

To keep your chairs looking beautiful, clean with soap and water, and dry with a soft cloth. You can also use Windex®, Formula 409® or similar spray cleaner, with or without bleach followed by a lint free towel. Hydrogen peroxide-based cleaners may also be used, dilution level 1:10. Wash any film or residue with hot water. Do not use Stainless Steel cleaner on any aluminum furniture. For Heavy-duty dirt or oil use a very hot water and strong soap, followed by LIGHT scrubbing in the direction of the aluminum grain with a soft bristled brush or damp Scotchbrite® pad.

Scuffmarks

Light scrubbing in the direction of the aluminum grain with a Scotchbrite® pad.

Stains

Treat the stain with the appropriate cleaner (i.e. bleach for coffee, paint thinner for paint) leave the cleaner sit on the stain until the stain is dissolved, then follow the instructions for heavy duty dirt.

POLISHED FINISH

It takes eight hours to hand polish each piece of Emeco furniture. Each item will exhibit slight variations of handcraft.

There is no coating on Emeco's hand polished items and they will begin to patina immediately upon use. Polished aluminum is non-corrosive and does not tarnish. To keep your polished chairs shining brightly use an ordinary car wax. Do not use abrasive cleansers, pads or brushes on hand polished aluminum.

Daily cleaning

Windex® or similar spray cleaner, with or without bleach followed by a soft, lint free towel. Wash any film or residue with hot water. Do not use Stainless Steel cleaner on any aluminum furniture.

Heavy-duty dirt or oil

We recommend Emeco Clean & Shine, which can be ordered from customerservice@emeco.net. Alternatively, use very hot water and strong soap, followed by a soft, lint free towel.

Light scratches

High quality aluminum polish with buffing pads in a circular pattern (available at most hardware stores). Follow by a light polish of cornstarch with a very soft cloth.

Daily cleaning

Use Windex® or similar spray cleaner, with or without bleach followed by a soft, lint free towel. Wash any film or residue with hot water. Rinse with clean water, using a clean, nonabrasive cotton cloth. Dry the surface with a soft, clean, non-abrasive cotton cloth. Hydrogen peroxide-based cleaners may also be used, dilution level 1:10. Wash any film or residue with hot water.

Normal maintenance and light scratches

Lemon Pledge or Armorall® (generically: spray wax with silicone) or Isopropyl Alcohol. Rinse with clean water, using a clean, non-abrasive cotton cloth. Dry the surface with a soft, clean, non-abrasive cotton cloth.

Abrasive pads, scouring powders or cleaners may permanently dull and scratch the rPET surface making it susceptible to staining. Never use cleaners containing acid, alkali, or concentrated sodium hypochlorite. These cleaners may mar, etch, corrode, and permanently discolor the surface.

RECLAIMED WOOD POLYPROPYLENE

Our reclaimed wood polypropylene products are made of 90% reclaimed post-industrial waste - polypropylene and wood fibers. Therefore slight differences in chair surfaces may occur.

Daily Cleaning

To keep your chairs looking beautiful, clean with soap and water and dry with a soft cloth.

Bleach may also be used, as well as hydrogen peroxide based cleaners (dilution level 1:10).

Wash any film or residue with hot water.

All Emeco wood products are made by hand from local, sustainably sourced solid wood. Each piece is unique with subtle differences.

Daily Cleaning

Clean the chair with a warm, soapy, damp cloth gently applied to the surface. Do not use any harsh or abrasive cleaning agents.

Solid wood is a natural fiber therefore it will shrink and swell with the seasons. Take care not to expose your furniture to extremes in temperature and humidity. Wet surfaces should be dried immediately. Solid wood changes color over time under normal conditions of light exposure, but do not expose directly to sunlight and heat.

RECYCLED POLYETHYLENE

Emeco recycled and reclaimed polymers are made to last, with ingredients to slow down color fading due to UV light. However, we recommend limiting direct sun exposure whenever possible.

Daily Cleaning

To clean, use a soft, damp cloth and a mild soap or commercially available cleaner for plastics. Never use any abrasive or aggressive formulas such as powders or pastes, as these may cause surface damage or loss of color.

CORK

Clean the seat with a warm, soapy, damp cloth gently applied to the surface. Do not use any harsh or abrasive cleaning agents.

Take care not to expose your furniture to extremes in temperature and humidity. Wet surfaces should be dried immediately.

Cork changes color over time under normal conditions of light exposure, but do not expose directly to sunlight and heat.

ECO-CONCRETE

Clean with soap and water using a nylon-bristle brush.

EMECO'S ENVIRONMENTAL VISION:

At Emeco, we take a responsible approach to our production and processes when manufacturing our furniture. We are committed to sustainability and protecting our environment. Emeco is committed to minimizing our impact on the environment by choosing materials, methods and processes that offer the least risk to our environment without compromising design, performance or affordability.

OUR POLICY:

We utilize the best available control technologies to reduce our environmental impact where needed, recycling waste and used materials at every opportunity, eliminating other impacts to the environment and reducing the carbon footprint of our products to minimum achievable levels.

At Emeco, we strive to improve our operations in all areas. In addition to reducing energy consumption, whenever possible we go beyond and select energy sources that have the lowest impact on the environment, such as electricity from renewable resources.

We use post-consumer and post-industrial waste that would otherwise be disposed as waste, to create chairs intended to last decades. At Emeco we make chairs from recycled aluminium that are made to last at least 150 years.

OUR PROCESSES:

- Emeco's products are manufactured in the US.
- The Emeco factory in Hanover PA conforms to all applicable US, State and Local environmental requirements.
- Emeco uses clear coat anodizing as the surface finishing method for most of our products. This not only significantly reduces particulate emissions, but also produces no volatile organic carbons (VOCs) in the application of the finish.
- All welding machines have internal cooling systems to reduce water consumption by 15%
- Advanced lighting technologies are installed throughout our manufacturing operations resulting in a 24% annual reduction in electrical consumption rate.
- All aluminum used in Emeco products are at least 80% recycled and 100% recyclable.
- Of the recycled aluminium, half is post-consumer (soft drink cans) and half is post-industrial (manufacturing scrap). Chairs made out of virgin aluminium have an energy density that is 17 times higher than that of Emeco chairs. Use of recycled aluminium as oppose to virgin aluminium in production leads to 95% less energy consumption.
- Emeco's aluminium scrap generation-rate is approx. 6% annually by weight.
- Emeco Manufacturing returns 100% of aluminium scrap to recyclers.
- Emeco's 111 Navy Chair contains at least 65% Recycled PET plastic.
- 100% of the PET used comes from a post-consumer recycled source.
- Emeco's Recycled PET chairs are 100% recyclable.
- Emeco uses sustainable timber and low-VOC finishes on our wood components.
- Emeco's Broom chair is made of 90% industrial waste content and is 100% recyclable.

- The reclaimed wood polypropylene seats of Emeco's Alfi and 1 Inch collections are made of 100% industrial waste content and are 100% recyclable.
- Emeco's Su Collection uses a variety of reclaimed and recycled materials in components such as recycled PET, Green Concrete mixed with post-consumer glass, reclaimed wood and recycled aluminum.
- Emeco has a chair-to-chair recycling program. The plastic and all-aluminum chairs can be returned to Emeco for recycling. Emeco will recycle and put the recycled material back in chair manufacturing of the same or similar model.

LEED CERTIFICATION

No product can be LEED Certified; Certification is only granted to the entire building or interior. A project is LEED Certified by qualifying for credits that accrue when environmentally sound choices are made in the design and building process. Product choices can help the project qualify for LEED Certification by being environmentally sound. Some jurisdictions require new construction to have a minimum number of LEED Credits.

Specifying Emeco furniture contributes to credit **#2.1** Construction Waste Management because Emeco uses 100% recyclable shipping and packing materials.

Specifying Emeco furniture contributes to credit **#4.2** Recycled Content. Emeco uses recycled material as far as possible in the creation of our products. All Emeco aluminum furniture is made from at least 80% recycled aluminum. Emeco plastic seating is made from recycled PET or reclaimed polypropylene, both of which are in turn recyclable.

Specifying Emeco furniture contributes to credit **#5.1** Regionally Manufactured Materials when shipped projects within 500 miles of our Hanover, PA facility – cities on the East Coast from Boston through Washington, DC. In addition, the recycled aluminium used in Emeco products is processed in Baltimore, MD, adding another credit contribution.

Specifying the Emeco 111 Navy Chair contributes to credit **#5.1** Regionally Manufactured Materials when shipped projects within 500 miles of our Lenoir, NC facility – cities on the East Coast from Washington, DC through Miami. In addition, the recycled PET plastic used in the Emeco 111 Navy Chair is processed in Cavendish, VT, adding another credit contribution.

Aluminium does not emit VOCs or aldehydes in any measurable concentration, therefore gassing requirements are not applicable.

LEED (Leadership in Energy and Environmental Design) is a division of the US Green Building Council, a government sponsored organization whose goal is to promote environmentalism in the building industry. For more information visit www.usgbc.org.

CARBON FOOTPRINT DECLARATION

Carbon footprint data shows the greenhouse gases (=CO₂ emissions) that are emitted to create a product. We measure our impact starting from the creation of the product to the moment it leaves our factory, also called "cradle-to-gate". Although many chairs do not yet declare a carbon footprint measurement, a typical carbon footprint ranges from 30-60 kg CO₂e. We're pretty proud to compare our Navy chair (14.88 kg CO₂e) to the average, but are still working on improving. Measuring our carbon footprint is the first step towards reducing it.

Our cradle-to-gate carbon footprint data takes into account Material, Transportation, Energy and Packaging. We have opted for cradle-to-gate because of the challenges linked to providing accurate data for the myriad destinations and end-uses that occur after the products leave the factory.

MATERIAL calculates the energy needed to produce the material itself. Using scrap material helps us keep our carbon footprint down and diverts waste from landfills.

PACKAGING accounts for the energy needed to produce that weight of cardboard at a typical factory in the United States in our region. We source our cardboard boxes from a local supplier that uses recycled cardboard. In some cases, we use recycled plastic bags, and other packaging pieces to protect our products inside the cardboard box. We are continuously working on finding sustainable solutions for our packaging.

ENERGY accounts for the energy needed to keep our Emeco Factory in Hanover, PA running.

TRANSPORTATION calculates the transport of materials and parts from our suppliers to our factory. The calculation includes the fuel burnt using a medium sized truck. It also takes into account the local shipping from the cardboard box supplier to our factory. We warehouse all chairs on site, so there is no other transportation before shipping.

*We measure carbon footprint using the 2030 Calculator, developed by Doconomy, a freely accessible tool that is an accurate depiction of carbon footprint.
