A fully-executed Purchase Order (“PO”), Agreement or Contract is the TIPS Member’s approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the possible addendums.

DEFINITIONS

1. A TIPS Member or Member is an entity that has joined the TIPS cooperative for the purpose of utilizing TIPS Vendor Agreements with TIPS awarded Vendors.
2. A Vendor Agreement is this Agreement between the Vendor And TIPS.

Terms and Conditions

Freight

All quotes to TIPS Members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating “No Charge”, “\$0”, “included in price” or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS Member as a result of the proposal award.

Warranty Conditions

All new supplies equipment and services shall include manufacturer's minimum standard warranty unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal (“RFP”) category. All goods proposed and sold shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Parties' discretion. Vendor accepts and understands that when a purchase order or similar purchase document is sent from a customer through TIPS Member to the Vendor, TIPS is recording the purchase and verifying whether the purchase is within the parameters of the TIPS Contract only. Vendor agrees that TIPS Member is not a legal party to the purchase order or similar purchase document and TIPS Member is not responsible for identifying fraud, mistakes, or misrepresentations for the specific order. Vendor agrees that any purchase order or similar purchase document issued from a customer to Vendor, even when processed through TIPS Member, constitutes a legal contract between the customer and Vendor only. A Vendor that accepts a purchase order or similar purchase document and fulfills an order, even when processed through TIPS Member, is representing that the Vendor has carefully reviewed the purchase order or similar purchase document for legality, authenticity, and accuracy.

Tax exempt status

Most TIPS Members are tax exempt and the related laws of the jurisdiction of the TIPS Member shall apply.

Assignments of Agreements

NO assignment of Agreement may be made without the prior written approval of TIPS Member, such approval shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or Vendor assigned company.

Disclosures

- Vendor and TIPS Member affirm that they have not given, offered to give, nor intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of its knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term of Agreement and Renewals

This Agreement is for approximately three (3) years with an option for renewal for an additional one (1) consecutive year. If TIPS offers the renewal extension year, the Vendor will be notified by email to the primary contact of the awarded Vendor and shall be deemed accepted by the Vendor unless the awarded Vendor notifies TIPS of its objection to the additional term. TIPS may or may not exercise the available extension(s) provided in the original solicitation beyond the base three-year term. Whether or not to offer the extension is at the sole discretion of TIPS.

“Start Date” for Term Calculation Purposes Only: Regardless of actual award/effective date of this Agreement “term” calculation purposes only, this Agreement “start date” is the last day of the month that Award

Notifications are anticipated as published in the Solicitation.

Example: *If the anticipated award date published in the Solicitation is August 27, 2020 but extended negotiations delay award until September 24, 2020 the end date of the resulting initial “three-year” term Agreement, (which is subject to an extension(s)) will still be August 31, 2023 in this example*

“Termination Date”: This Agreement “termination date” shall be the last day of the month of the month of the Original Solicitation’s Anticipated Award Date plus two years.

Example: *If the original term is approximately three years, and the solicitation provides an anticipated award date of August 27, 2020, the expiration date of the original three-year term shall be August 31, 2023 in this example.*

Extensions: Any extensions of the original term shall begin on the next day after the day the original term expires.

Example Following the Previous Example: *If TIPS offers a one-year extension, the expiration of the extended term shall be May 31, 2024 in this example.*

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an agreement by the vendor with the TIPS Member shall only be valid and enforceable when the Vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the agreement renewal. This term is not negotiable and any agreement between a TIPS Member and Vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services per the terms of the Purchase Order. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties, unless due to a Force Majeure event.

Invoices

The awarded Vendor shall submit invoices or payment requests to the TIPS Member participating entity clearly stating “Per TIPS Agreement # xxxxxxx.” Each invoice or pay request shall include the TIPS Member’s purchase order number or other identifying designation as provided in the order or contract by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the Vendor Assigned Dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS Member by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS Member purchases reported by either Vendor or TIPS Member. Fees are due to TIPS upon payment by the TIPS Member to the Vendor, Reseller or Vendor assigned dealer. Vendor, Reseller or Vendor assigned dealer agrees that the participation fee is due to TIPS for all Agreement sales immediately upon receipt of payment including partial payment, from the TIPS Member and must be paid to TIPS at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently, or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the legally effective fee for that amount is immediately due to TIPS from the Vendor and fees due to TIPS should be paid at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS Member. When a TIPS Member or entity desiring to use a TIPS Vendor Agreement initiates a purchase with a TIPS Awarded Vendor, if the TIPS Member inquires verbally or in writing whether the Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether or not the TIPS Member is seeking a TIPS purchase. Once verified, the Vendor must include the TIPS Contract number on any communications and related sales documents exchanged with the TIPS Member. To report sales, the Vendor must login to the TIPS Vendor Portal online at https://www.tipsusa.com/vendors_form.cfm and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the [TIPS Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or Vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS.. Failure to render the participation fee to TIPS shall constitute a breach of this Agreement and unless Vendor promptly cures such breach, it shall be grounds for termination of this Agreement. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within the earlier of ninety days of receipt of notification if TIPS Member receives written notification of the overpayment or the expiration of six (6) months from the date of overpayment. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity and Limitation of Liability

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's fault, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share

of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per Texas Education Code §44.032(f), reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation. If Vendor is required to defend under this Agreement, the TIPS Member must (a) promptly notify Vendor of the matter under which the obligation to indemnify and defend arose, (b) allow Vendor to choose and manage counsel; (c) cooperate in the investigation and defense, and (d) must allow Vendor to settle the matter without admitting the Indemnitees' fault.

State of Texas Franchise Tax

By signature hereon, the Vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

If a deviation of pricing/product on a purchase order or contract modification occurs, TIPS is to be notified within five (5) business days of receipt of change order.

The awarded Vendor may terminate this Agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The Vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this Agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

The Members need to know if your company is willing to sell to them when they spend federal budget funds on their purchase. 35 Discount Offered - CAUTION READ CAREFULLY BECAUSE VENDORS FREQUENTLY MAKE MISTAKES ON THIS ATTRIBUTE QUESTION

Remember this is a MINIMUM discount percentage so, be sure the discount percentage inserted here can be applied to ANY OFFERING OF GOODS OR SERVICES THROUGH OUT THE LIFE OF THE CONTRACT

CAUTION: BE CERTAIN YOU CAN HONOR THIS MINIMUM DISCOUNT PERCENTAGE ON ANY OFFERED SERVICE OR GOOD NOW OR DURING THE LIFE OF THE CONTRACT.

If awarded on PART 1, what is the MINIMUM percentage discount off of any item or service you offer to TIPS Members that is in your regular catalog (as defined in the solicitation specifications document), website, store or shelf pricing or when adding new goods or services to your offerings during the life of the contract? The resulting price of any goods or services Catalog list prices after this discount is applied is a ceiling on your pricing and not a floor because, in order to be more competitive in the individual circumstance, you may offer a larger discount depending on the items or services purchased and the quantity at time of sale. Must answer with a number between 0% and 100%.

36 MINIMUM Discount Term

If awarded on PART 1, does the vendor agree to at least offer, for the life of the Agreement, the Minimum Discount Percentage off list or catalog proposed by Vendor in response to the Attribute entitled "Discount Offered - CAUTION READ CAREFULLY BECAUSE VENDORS FREQUENTLY MAKE MISTAKES ON THIS ATTRIBUTE QUESTION"? TIPS will utilize this response to satisfy the Long Term Cost scoring evaluation criteria on PART 1. A "YES" answer will be awarded the maximum 10 points for this criterion out of the 100 total points and a "NO" answer is awarded 0 points.

37 Yes - No

If awarded on Part 1 of the TIPS Contract, for the duration of the Contract, Vendor agrees to provide, upon request, their then current catalog pricing, as defined in the solicitation and below, to TIPS upon request for any goods and services offered on PART 1 of the Vendor's TIPS Contract, if any.

"Catalog" means the available list of tangible personal property or services, in the most current listing, regardless of date, during the life of the contract, that takes the form of a catalog, price list, schedule, shelf price or other form that:

- A. is regularly maintained by the manufacturer or Vendor of an item; and
- B. is either published or otherwise available for inspection by a customer during the purchase process;
- C. to which the minimum discount proposed by the proposing Vendor may be applied.

38 TIPS administration fee

By submitting a proposal, I agree that all pricing submitted to TIPS shall include the participation fee, as designated in the solicitation or as otherwise agreed in writing and shall be remitted to TIPS by the Vendor or the vendor's named resellers and as agreed in the Vendor agreement. I agree that the fee shall not and will not be added by the vendor as a separate line item on a TIPS member invoice, quote, proposal or any other written communications with the TIPS member.

3 **REQUIRED FOR PART 2 JOC - PRICING OF Regular Hours Coefficient**

9 **What is your regular hours coefficient for the RS Means Price Book? (FAILURE TO RESPOND PROHIBITS PART 2 JOC EVALUATION)**

Remember that this is a ceiling price proposed. You can discount lower than your proposed contract coefficient, but not higher.

This is one of three pricing questions that are required for consideration for award on this solicitation. Please consider your answer carefully. An explanation of the TIPS scoring of pricing is included in the attachments for your information.

The below is an Example of how pricing model works (not intended to influence your proposed coefficient, you should propose a coefficient that you determine is right for your business):

To propose the exact pricing as the RS Means Unit Price Book, you would insert a 1.0 and to propose a 5% discount for the RS Means Price Book would be a .95 regular hours coefficient and so on.

4 **REQUIRED FOR PART 2 JOC - PRICING OF After Hours Coefficient**

0 **What is your after hours coefficient for the RS Means Price Book for work performed after normal working hours? (FAILURE TO RESPOND PROHIBITS PART 2 JOC EVALUATION)**

Remember that this is a ceiling price proposed. You can discount to any TIPS Member customer a lower coefficient than your proposed contract coefficient, but not higher.

This is one of three pricing questions that are required for consideration for award on this solicitation. Please consider your answer carefully. An explanation of the TIPS scoring of pricing titled "Pricing Coefficient Instruction" is included in the attachments for your information.

The below is an EXAMPLE of how the pricing model works (It is not intended to influence your proposed coefficient, you should propose a coefficient that you determine is reasonable for your business for the life of the contract): The most common after hours coefficient is time and a half of the RS Means Unit Price Book prices. To illustrate this coefficient, if your regular hours coefficient is .95, your after hours coefficient would be 1.45.

4 **REQUIRED FOR 2 PART JOC - PRICING for Markup of Non-Prepriced Items in RS Means Unit Price Book**

1 **YOU MUST ENTER A PERCENTAGE NOT A COEFFICIENT.**

What is your proposed Markup Percentage on materials not found in the RS Means Price Book? (FAILURE TO RESPOND PROHIBITS PART 2 JOC EVALUATION)

If any materials being utilized for a project cannot be found in the RS Means Price Book, this question is what is the markup percentage on those materials?

When answering this question please insert the number that represents your percentage of proposed markup. **YOU MUST ENTER A PERCENTAGE NOT A COEFFICIENT.**

Example: if you are proposing a 30 percent markup, please insert the number "30".

Remember that this is a ceiling markup. You may markup a lesser percentage to the TIPS Member customer when pricing the project, but not a greater percentage.

EXAMPLE: You need special materials that are not in the RS Means Unit Price Book for a project. You would buy the materials and mark them up to the TIPS Member customer by the percentage you propose in this question. If the materials cost you, the contractor, \$100 and you proposed a markup on this question for the material of 30 percent, then you would charge the TIPS Member customer \$130 for the materials.

YOU MUST ENTER A PERCENTAGE NOT A COEFFICIENT.

4 3	<p>TIPS Administration Fee Paid by Vendor - Not Charged to Customer</p> <p>Vendor understands and agrees that it owes TIPS a TIPS Administration Fee (published in the RFP/RCSP document) on every TIPS sale made under an awarded TIPS Contract. Vendor further understands and agrees that Vendor shall submit pricing with this proposal which includes and accounts for the TIPS Administration Fee and shall never separately charge the TIPS Member Customer the TIPS fee or add the TIPS Administration Fee line item to an invoice or similar purchase document. Submission of this proposal is Vendor's certification that Vendor agrees to this mandatory term.</p>

If ACME were a TIPS awarded vendor, then ACME would list BIGmart as a reseller.</p> <p>(Resellers are only permitted under a PART 1 award. If applicable, Vendor should add all Authorized Resellers within the TIPS Vendor Portal upon award).</p> <input type="text" value="No"/>

ADDENDUM NO. 1 TIPS 220106 Comprehensive HVAC (2 Part with JOC)

This Addendum #1 **does not** require action from responding Vendors and **does not** require resubmission for Vendors who have already submitted. It is only to correct a misstatement originally included in Pages 4-5 of the solicitation attachment entitled "220106 RCSP Specifications." The original pages 4-5 provided for and discussed a term of years of, "approximately two (2) years with an option for renewal extension for an additional three (4) consecutive one (1) year terms." This Addendum No. 1 corrects it to properly state and describe a term of, "approximately two (2) years with an option for renewal extension for an additional two (2) consecutive one (1) year terms" as expanded upon below. Specifically, the section entitled "Term of Agreement and Renewals" starting on Page 4 and ending on Page 5 of the attachment entitled "220106 RCSP Specifications" is now changed to read as follows:

"Term of Agreement and Renewals

The Agreement with TIPS is for approximately two (2) years with an option for renewal extension for an additional two (2) consecutive one (1) year terms. The first renewal extension year shall be automatic unless the awarded vendor notifies TIPS of its objection to the first additional one (1) year renewal extension. If TIPS offers the second one (1) year renewal extension terms, the vendor will be notified by email to the primary contact of the awarded Vendor and shall be deemed accepted by the Vendor unless the awarded vendor notifies TIPS of its objection to the additional term. TIPS may or may not exercise the available extension(s) provided in the original solicitation beyond the base term. Whether or not to offer the renewal extension years is at the sole discretion of TIPS.

"Start Date" for Term Calculation Purposes Only: Regardless of actual award/effective date of Contract, for Agreement "term" calculation purposes only, the Agreement "start date" is the last day of the month that Award Notifications are anticipated as published in the Solicitation.

Example: *If the anticipated award date published in the Solicitation is August 27, 2020 but extended negotiations delay award until September 24, 2020 the end date of the resulting initial "two-year" term Agreement, (which is subject to an extension(s)) will still be August 31, 2022 in this example*

"Termination Date": The scheduled Agreement "termination date" shall be the last day of the month of the month of the Original Solicitation's Anticipated Award Date plus two years.

Example: *If the original term is approximately two years, and the solicitation provides an anticipated award date of August 27, 2020, the expiration date of the original two-year term shall be August 31, 2022 in this example.*

Extensions: Any extensions of the original term shall begin on the next day after the day the original term expires.

Example Following the Previous Example: *If TIPS offers a one-year extension, the expiration of the extended term shall be August 31, 2023 in this example.*

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

Total term of Agreement can be up to the number of years provided in the solicitation or as limited by statute."

ADDENDUM NO. 2 TIPS 220106 Comprehensive HVAC (2 Part with JOC)

This correction ***does not*** require action from responding Vendors and ***does not*** require resubmission for Vendors who have already submitted ***unless you wish to correct the optional form entitled "PART 2 JOC Pricing of Itemized List of Means Non-Prepriced Items" based on the information herein.*** This Addendum is only to correct a misstatement on the original optional attachment entitled "PART 2 JOC Pricing of Itemized List of Means Non-Prepriced Items." The attachment mistakenly provided for and discussed "Attribute 39." Specifically, any erroneous reference to "Attribute 39" on the specified attachment should be considered immediately replaced with "the Attribute Question asking for Pricing for Markup of Non-Prepriced Items in RS Means Unit Price Book." Please disregard any reference to Attribute 39 on this optional form and consider it to be referencing the Attribute Question asking for "Pricing for Markup of Non-Prepriced Items in RS Means Unit Price Book" instead.

EXECUTIVE SUMMARY

Energy Systems Group, LLC (ESG) is a leading energy service company (ESCO) that specializes in guaranteed energy savings performance contracts (ESPCs) including energy and water efficiency, sustainability, and design-build infrastructure modernization solutions.

Performance contracting takes on a different skill set than those possessed by typical contractors in the construction business. Instead of starting with a clean slate, we address buildings with older systems that have failed or are expected to fail soon. It is a unique process of identifying and prioritizing capital improvements and deferred maintenance investments through optimizing guaranteed energy and operational saving to support it.

Our team has the municipal, K-12, and higher education experience necessary to provide local governments and educational organizations in Texas with comprehensive energy management and infrastructure-related capital improvement services that reduce utility and operating costs on a guaranteed performance contracting basis.

Further, in 2019, TIPs awarded ESG with an IDIQ contract (Vendor Contract 19060401) to be used when a TIPS member entity needs the goods or services offered under the agreement.

In addition to our local team members, ESG's parent company is **CenterPoint Energy, Inc.** (NYSE: CNP), headquartered in Houston. CenterPoint Energy provides another layer of stability to our project team and is a valuable resource for ESG and our customers.

We are experienced, versatile, innovative and creative, and appropriately staffed to provide our customers with the cutting-edge solutions and financial viability required with a focus on improving learning environments. Further, ESG brings a strong resume in the State of Texas – having implemented over \$180 million in performance contracting, engineering, and operations and maintenance services including a microgrid combined heat and power plant at NASA Johnson Space Center.

ESG's philosophy for approaching projects is to create solutions that leverage all sources of funding that deliver a vendor-neutral comprehensive solution that maximizes local business participation. We deliver self-funded solutions that sustain guaranteed savings over the contract term backed by service. What you will learn from our customers is that we not only deliver on our promises, but we are upfront from the beginning with solutions that are "believable and achievable."

ESG commits to delivering the highest quality contract possible, executing the project on-time with no change orders and guaranteed results. We keep community resources local by utilizing local contractors when possible. Our job does not end when construction is complete—we will work with our customers to market their initiatives and results to the businesses and members of their communities

Response to Request for Proposal RFP 220106 Comprehensive HVAC (2 Part with JOC)

A trademark of ESG is to provide a long term partnership—not a short term project. Our commitment is to be engaged with our customers long after the construction is complete by continuing to provide assistance through coaching and ongoing support. ESG has an exceptional record of accomplishment for meeting and exceeding guaranteed savings. Johnson City Schools Director of Instruction, Dr. Debra Bentley said, *“We have seen it at every school, a savings in energy costs through ESG’s after project support.”*

Further, because we offer best- technology, non-proprietary solutions to our customers, we maximize project savings and minimize project cost. Many of our competitors require installation of their branded equipment. ESG has the ability to offer the best solution for your needs without such limitation.

Once the projects are developed with continuing and valued input from the facility owner/operator, ESG assembles a strong and effective team of subcontractors (approved by the facility owner/operator) and employs a time-tested, proven, and highly successful project management methodology to implement our program on time and with a guarantee of **no change orders** (change orders only occur if there is a significant change in the scope of work requested by our customer). Once our projects are implemented, we provide the most comprehensive quality control measures offered to ensure customer satisfaction.

“Best contracting decision we’ve ever made, and the numbers back it up.”

Johnny Mull, Bradley County Commissioner & BCSD Energy Manager at ESG’s project kick-off

BENEFITS OF PARTNERING WITH ESG

HIRING AND DEVELOPING THE BEST PEOPLE: The team we have built for our regional operation have an unmatched depth of experience in finding and implementing energy efficiency projects. The team assembled to deliver this project of hundreds of years of energy experience in all aspects of energy supply, construction, engineering, and guarantee of savings.

BEING VENDOR NEUTRAL: Whenever possible, ESG purchases materials and equipment directly. We realize that when materials and equipment are purchased through subcontractors or other third parties, the prices will include an additional overhead cost of 5-15%. Direct purchase of materials and equipment also provides a venue to attract and include Small Business Enterprises thereby enabling ESG to meet or exceed desired overall small business participation goals. Further, ESG develops bid packages to the 30% level to minimize unknown contingency from subcontractors that can inflate costs. Therefore, our vendor neutrality along with these other best practices enable ESG to reduce overall project cost by 10% or more.

SELF-PERFORMING CAPABILITIES: As such, we reduce overall cost of implementation. We self-perform certain aspects of these projects in order to help our customers avoid unnecessary markups and to eliminate the profit “pancaking” that is so common to the industry. Rather than simply marking up a turnkey lighting or solar subcontractor, ESG will bring our in-house team of experts, leveraging more than 100 years of combined team experience in audit, design, product, and project execution. With our significant national presence as a top-ranked ESCO, we will also bring significant product purchasing power to these types of projects.

LOCAL RELATIONSHIPS AND EXPERIENCES: ESG prides itself in maximizing local business participation and MBE/WBE support. We have strong vendor relationships in the region.
