The company has maintained a satisfactory performance and growth rate well above the industry average in this sector despite some uncertainties and volatile situation in national and global economy.

SMG wants to maintain its goodwill and image in the market by supplying better computer related products mainly from HP – the leader in this field and other reliable global brands (Dell, Asus, Acer, IBM, Lenovo, Lexmark, Sony, Toshiba, Konica, Epson, Viewsonic, etc.) and wants to be one of the leaders in business information technology in near future in Texas. Currently SMG is the #1 dealer of HP products in Dallas, Texas. To achieve this goal, the company has targeted the next 3 (three) years (2014-2016) as very crucial for expanding their business. The company has taken a comprehensive plan to expand their business mainly in the US Public Sector marketplace in 25 states in USA. Currently the company has been engaged in business in 7 states, excluding Texas.

The main target group of SMS is the schools (K12) under Dallas Independent School District (DISD) and other ISDs in different states in USA, besides it also provides computer products and technical support service to small and medium size private business organizations in Dallas area and other places in Texas and other states. In order to achieve our goals in the next three years we have to put emphasis on the following things:

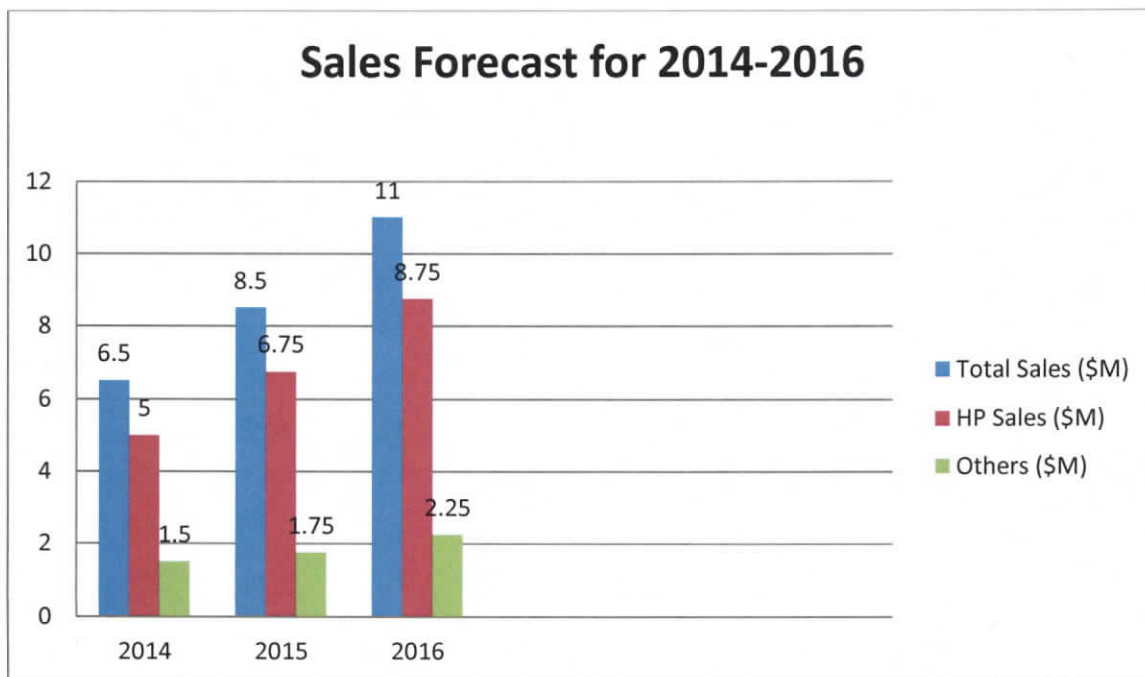

1. Expand our business in new 17 states in USA.
2. Increase our gross sales to approximately 30% per year.
3. Increase our non-hardware sales and support service to 10% of the total sale every year.
4. New marketing ideas (E- marketing initiatives/on-line sales)
