The Texas Education Code §8.002 permits Regional Education Service Centers, at the direction of the Commissioner of Education, to provide services to assist school districts, colleges and universities in improving student performance and increasing the efficiency and effectiveness of school, college and university financial operations.

**Government Authority:**

Authority for such services in Wisconsin is granted under Wisconsin Government Code §§ 66.0303 *et seq* as amended. These competitively bid cooperative purchasing services are extended to all Wisconsin State, City and County Government Agencies.

Wisconsin law permits a municipality to contract with municipalities of another state for the receipt or furnishing of services or the joint exercise of any power or duty required or authorized under statute to the extent permitted under the statutes of the other state. WIS.STAT. ANN. §66.0303 (2). A "municipality" is defined as the state or any department or agency thereof, or any city, village, town, county, school district, public library system, public inland take protection and rehabilitation district, etc. *Id* at § 66.0301 (a) Under this definition, the Region VIII ESC would certainly qualify as a "municipality." Accordingly, a Wisconsin school district or other local government could participate in the TIPS program.

Prior to and as a condition precedent to taking effect, all interlocal agreements must be submitted to the Wisconsin Attorney General for approval. *Id* at § 66.0303 (3). After receipt of the agreement, the Attorney General must submit the agreement to the Governor of Wisconsin who may comment on the agreement or share it with any state agencies that may be affected. *Id*. Accordingly, I recommend forwarding a copy of the interlocal agreement to the Wisconsin Attorney General as soon as possible because the approval process can take up to 90 days to complete.
