

Ten Reasons to Choose **ACTGLOBAL™**

Why Act Global is your preferred partner for sports fields, landscape and specialty applications.

1 One of the world's largest turf manufacturers based in the USA, with more than **1,800 sport installations in over 90 countries.**

2 The first company in the world that is a **FIFA Quality Licensee for Football Turf, International Rugby Board Preferred Turf Producer, Synthetic Turf Council Certified Manufacturer** and holds an **ISO 9001 certification.**

3 All products pass **rigorous torture and laboratory testing** for durability, climatic resistance, player-to-surface interaction, ball-to-surface interaction, UV stability and more.

4 Superior quality and low prices from manufacturing plants on three continents bring the world's most advanced synthetic turf to every project.

5 Committed to customer-centric support, building and maintaining long-term relationships.

6 A full line of quality landscape turf for yards, businesses, putting greens, parks, pet areas and more. **TURFSCAPE.**

7 Exclusive manufacturer of LiteEarth, an efficient environmental landfill capping solution. **LiteEarth™**

8 Exclusive manufacturer of AvTurf, the leader in patented **AvTurf** synthetic aviation turf and installation.

9 In-house marketing and sales support available for partners.

10 Committed to local, national and world aid and conservation through affiliations with **Homeless World Cup, CARE, World Vision** and **The Global Compact.**
