### About Byrne & Jones Construction

Byrne & Jones Construction has a surfacing solution for you! Since 1976, Byrne & Jones Construction has been serving the St. Louis & Metro-East Illinois area. Leading and innovating the pavement industry, Byrne & Jones Construction was the first local paving company to purchase two asphalt recyclers, install asphalt with paving fibers in a commercial parking lot and install pervious pavements; in both asphalt and concrete. Our services range from a simple pothole repair to design-build parking lot construction. Byrne & Jones provides quality and affordable paving projects constructed safely and completed on time.

Our commitment to safety and quality make us a top choice in the paving industry. Our employees are regularly drug tested and participate in annual training events to keep them up to date on the latest policies and procedures. Call our office to have one of our estimators evaluate and propose cost saving ideas to help you stay within budget.
