

Since 2005, EPIC Translations has been a trusted partner in bridging language barriers across the nation. We bring to the table 20,000+ experienced translators for 150+ languages, our proprietary project coordination system, and our proprietary AI translation software. In short, we deliver top-notch language translation services tailored to your needs. Below is our detailed response to your requirements and scope of work. We're excited to show how we can meet your needs and exceed your expectations!

Our core services include:

1. Document translations:
 - a. 100% human translation
 - b. AI translation + human review
2. On-site / Virtual interpretations
3. Over-the-Phone Interpretations
4. On-site AI translation software
5. American Sign Language (ASL)
6. CART services
7. Typesetting / Desktop Publishing via Adobe Creative Suite
8. Multilingual video captioning

EPIC Translations brings a wealth of experience in partnering with universities, school boards, government agencies, global brands, and non-profit organizations, including but not limited to:
