

Lower Energy Costs

Help reduce monthly energy costs with energy-efficient solutions.

Energy-Efficient Solutions

Update your business operations for maximum efficiency without disrupting your business with Grainger's network of qualified, insured and licensed service providers.*

5 Questions to Ask Yourself

- 1 Does your facility have older, less energy-efficient products?
- 2 Does your facility have longer operating hours?
- 3 Would you like to reduce your energy bills while improving the performance of your operation?
- 4 Are you interested in learning about incentives available to your facility for energy-saving projects?
- 5 Are you interested in enhancing your property's value?

If you would like more information, or to see if your facility qualifies for an on-site evaluation, call us at 866-597-1330 or contact your Grainger rep to learn how you can benefit from these energy-saving services.

Energy Services Multi-Measure Solutions

Through our network of third-party service providers, you can find a wide array of services that include auditing, specifying, supplying, installing, commissioning and utility rebate processing for your energy-saving projects.
