

# GRAINGER'S GOT YOUR BACK®

Whether you need a hand managing your inventory, improving safety or streamlining your purchasing process, count on Grainger. Let us help take costs out of your operations so you can put your resources toward managing and growing your business.

## INVENTORY MANAGEMENT

**Having the right supplies on hand** helps you maintain a productive environment, avoid downtime from stock-outs and reduce expensive overstock. Grainger KeepStock Inventory Management solutions\* can help ensure you have what you need, when and where you need it.

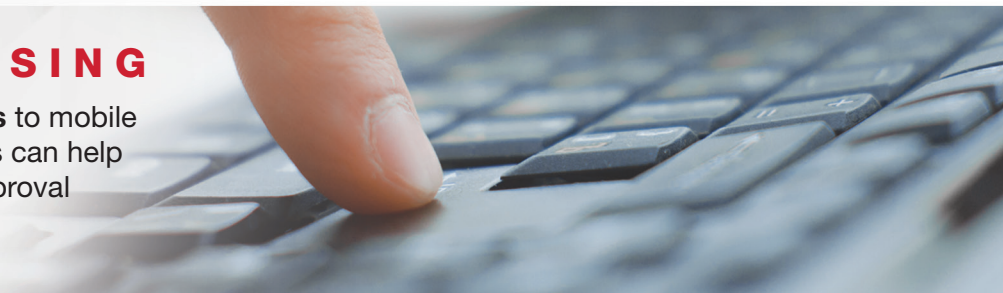

## SAFETY RESOURCES

**Get the safety products, services and resources** you need to help you reduce injuries, facilitate compliance, manage risk and increase productivity.

## ONLINE PURCHASING

**From advanced purchasing options** to mobile apps, our online purchasing solutions can help you place orders, streamline your approval process and manage your spend.
