

INVENTIVE

improving lives with technology

WHO WE ARE

We pride ourselves on being -

- experts, but not arrogant
- direct, but respectful
- professional, but we don't wear ties
- nerds, but not the serious kind
- independent, but collaborative

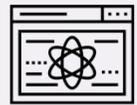

Mainly we like to get sh*t done.

WHAT MAKES US BETTER

Our nimble process enables quick pivots

We Ask the Right Questions

- Who will use your product?
- How will they use it?
- What will they use it for?
- Does it solve their problem?

WE LIVE OUR MISSION

Improving lives with technology is more than just words.

As part of our social mission, Inventive Group donates 2% of all sales revenue to our charitable giving budget.

These funds are used by our non-profit, Inventive Cares, for building websites for non-profit organizations and providing scholarships for Inventive Academy.
