INTEGRITY AT THE HIGHEST LEVEL

AN EASIER WAY TO PURCHASE

About King Consultants

Founded in 1989, King Consultants is a full service environmental firm with offices throughout the state of Texas. Since that time we have completed major projects for independent school districts, major universities, medical facilities, industrial sites, and commercial clients. Our staff is licensed and highly trained to perform assessments, inspections, and analysis of various types of environmental issues and include a registered geologist and a licensed engineer. Our team specializes in Asbestos, Mold, and Water Damage, Lead, ESA inspections, Indoor Air Quality, and Hazardous Material Management. King Consultant can handle all your environmental needs. We strive to meet our clients needs in a timely manner with quality reports and no unwarranted cost and over runs. We take pride in our customer service, operating always with the utmost honesty and integrity. King Consultants will provide the best possible solutions to meet your objectives and use the best value means available.

About TIPS

Founded in 2002, The Interlocal Purchasing System (TIPS), allows Education, Government and Non-Profit Agencies to purchase from any of their Awarded Vendors without having to competitively solicit and procure the products and services themselves. Established with over a decade of experience in the purchasing procurement industry, TIPS makes purchasing for their Members easy, compliant and economical. Their competitively bid contracts streamline the purchasing process saving Members both time and money. This process offers opportunities for greater efficiency in pricing and delivery of goods and services by contracting with their high quality Vendors, such as King Consultants.
