

Benefit administrators in the public sector choose Colonial Life

Here are just a few of the reasons they trust their voluntary benefits to us:

Market expertise

We work with 5,000 local governments, 34 state governments and 2,700 educational agencies. So we know the hurdles you face...and how to help you clear them.

Dedicated service

We have teams who work exclusively with government accounts. So we speak your language.

New ways to save money

And lots of them...like reduced enrollment costs, dependent verification, increased employee participation and tax savings.

Benefits that help manage costs

We have plans with no direct cost to you. A dream come true in the public sector. Or any sector.

Personalized benefits counseling

We meet 1-to-1 to help everybody get the benefits that are best for them. Which is also best for you.

Trusted partner

By aligning with organizations such as GFOA, USCM and IPMA-HR, we can better understand the public sector's needs and help provide the right solutions.

ColonialLife.com

The challenges you face managing rising employee benefit costs while continuing to provide a quality benefits program are only becoming more complex.

To find the right solutions, you'll want to choose a partner who understands your unique needs and has a proven history of helping others thrive in similar situations.

For more than 60 years, we've specialized in enhancing public sector employee benefit options while providing administrators with proven solutions for saving time and money.
