Me to the Power of Three, LLC, or (M.E.)<sup>3</sup>, specializes in developing customized programs and resources to support teaching and learning.

**AWARDED VENDOR**

(M.E.)<sup>3</sup>

**Because everyone deserves to feel confident about learning.**™

(M.E.)<sup>3</sup> creates culturally relevant curricula, high-quality assessments and research-based instructional resources for K-12 STEM as well as Adult Literacy and General Education settings.

(M.E.)<sup>3</sup> offers these consulting services for educators in schools, districts, colleges/universities and other organizations:

- Subject matter support
- Instructional pedagogy support
- Job-embedded coaching
- Strengthening instructional leaders and supervisors

In addition to our school-based programs, (M.E.)<sup>3</sup> provides customized workshops for parents, businesses, churches and other community stakeholders on a variety of educational topics, such as:

- "Math is For Everyone – Developing Quantitative Literacy at Any Age"
- "Equipped to Advocate: How to Support Your Child's Educational Growth and Success"
