CREATE WITH US

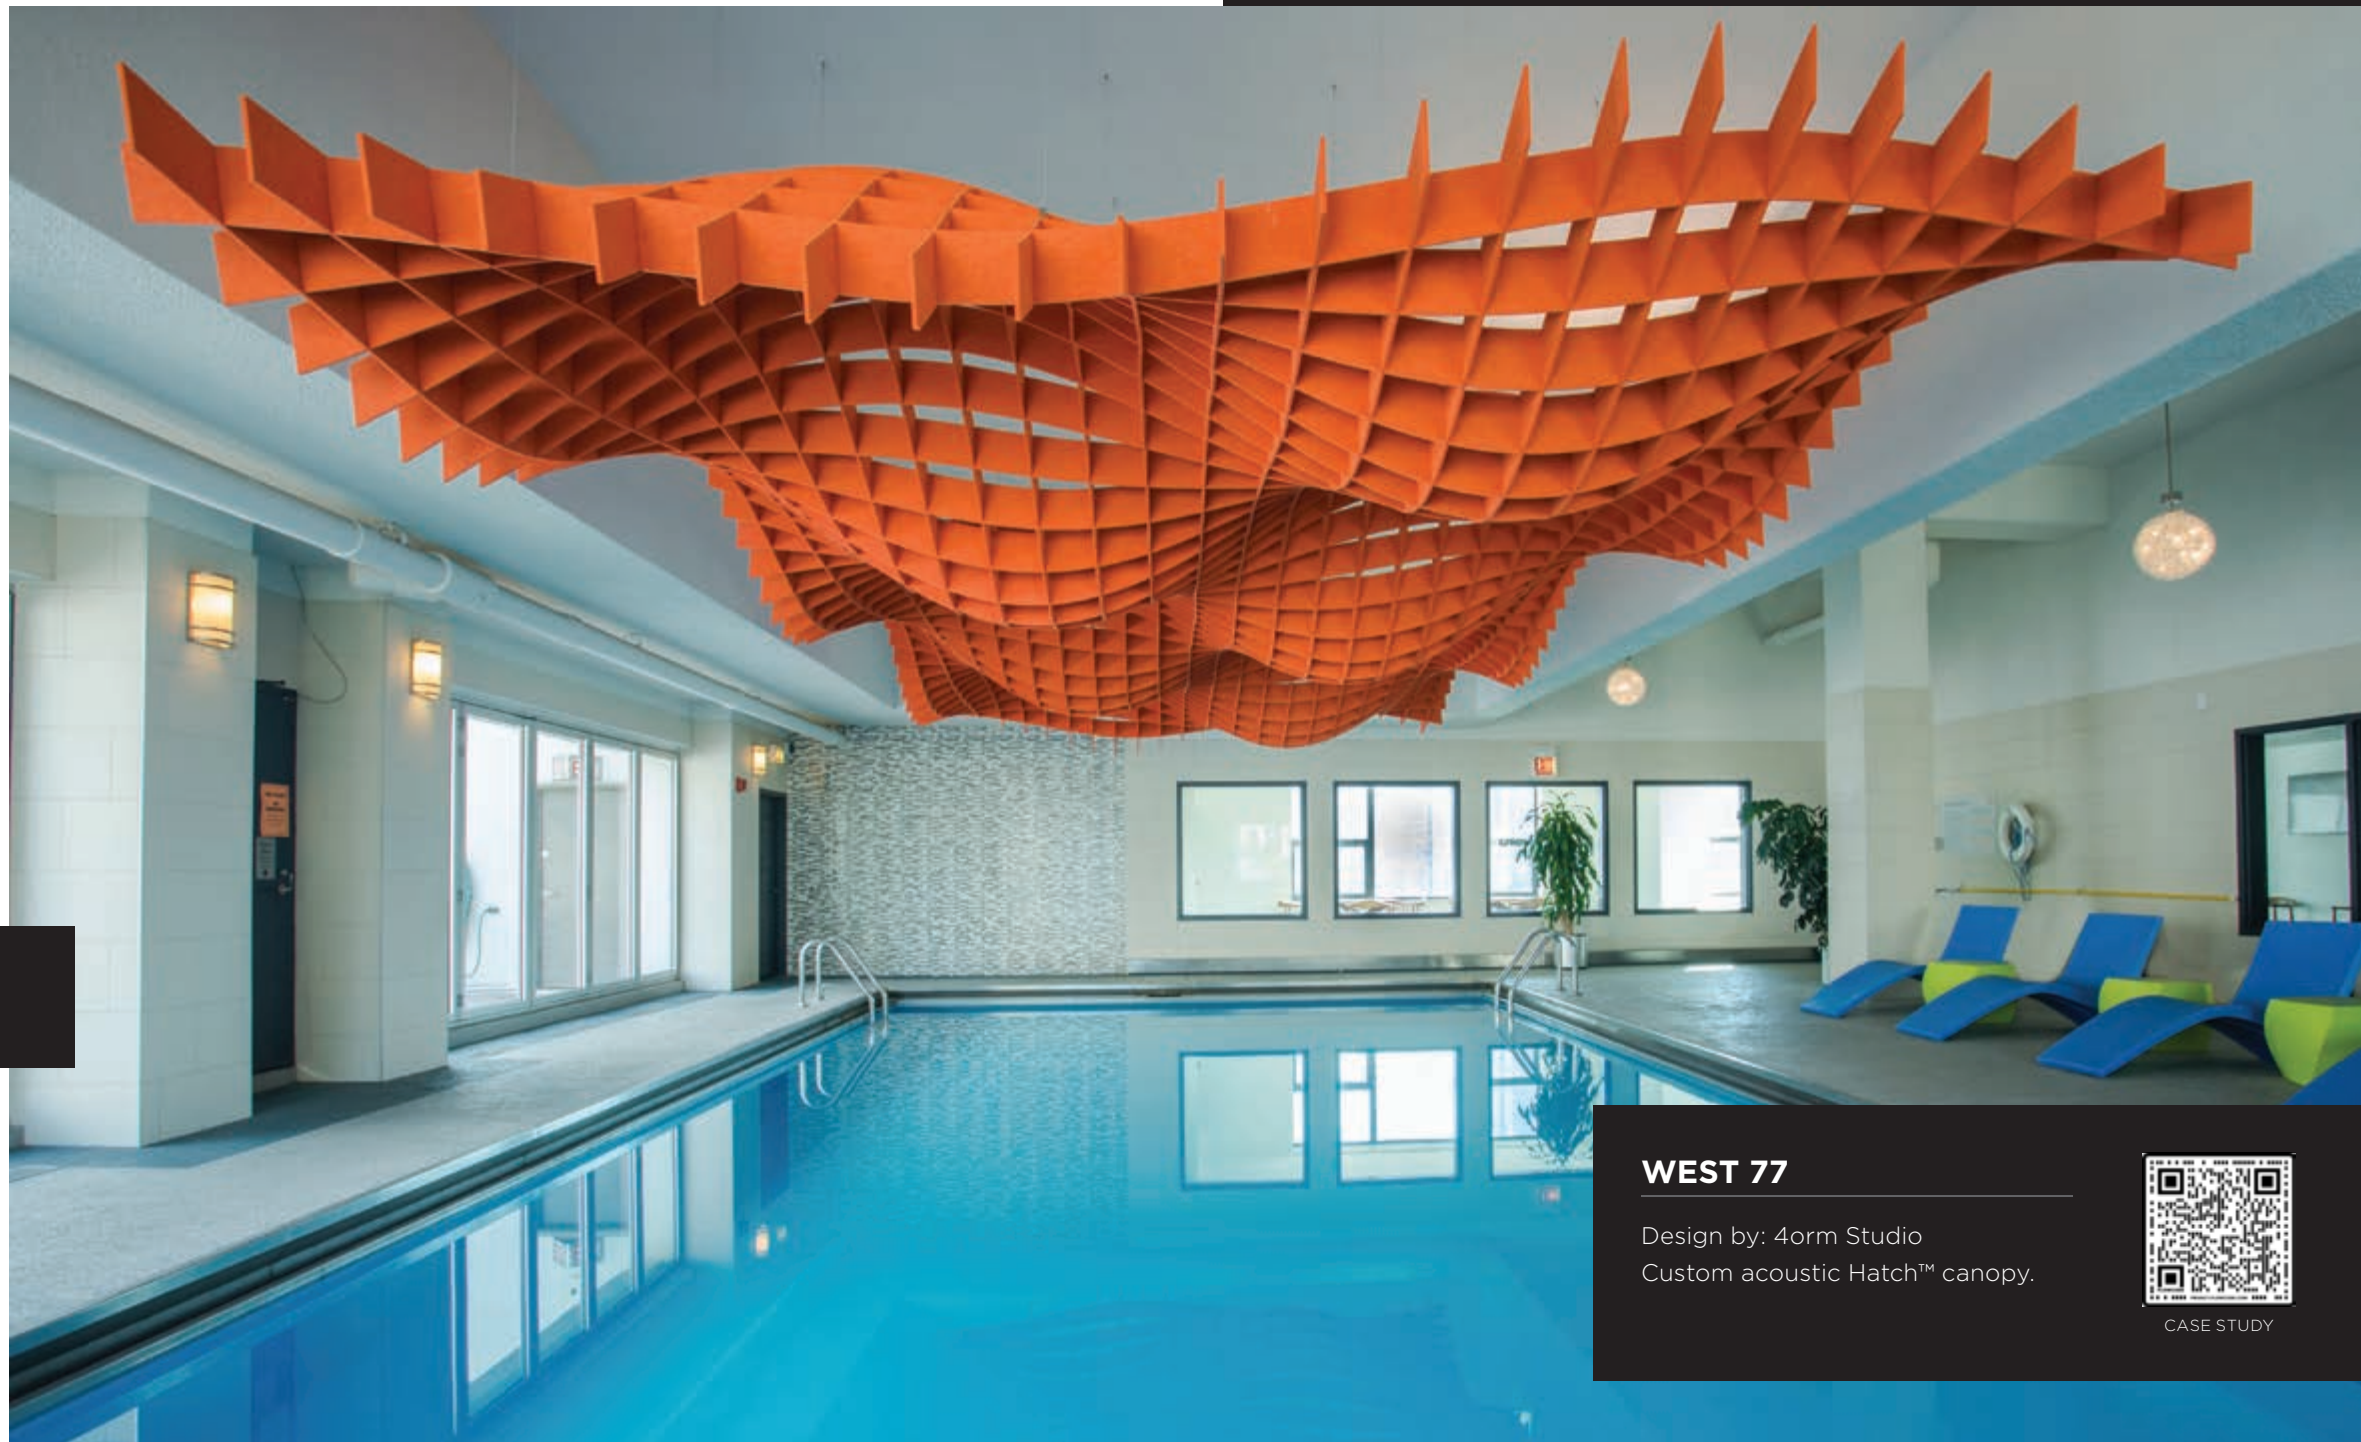

THE LOOKBOOK
VOLUME 2

ACOUSTIC DÉCOR. MIXED MATERIALS. CUSTOM SOLUTIONS.

CREATE WITH US

For more than 30 years, we've partnered with designers, architects, and brands worldwide to create design-centric solutions for commercial interiors.

We are a team of innovators, creators, and collaborators that fuse our design and manufacturing capabilities to bring life to our customer's vision.

WEST 77

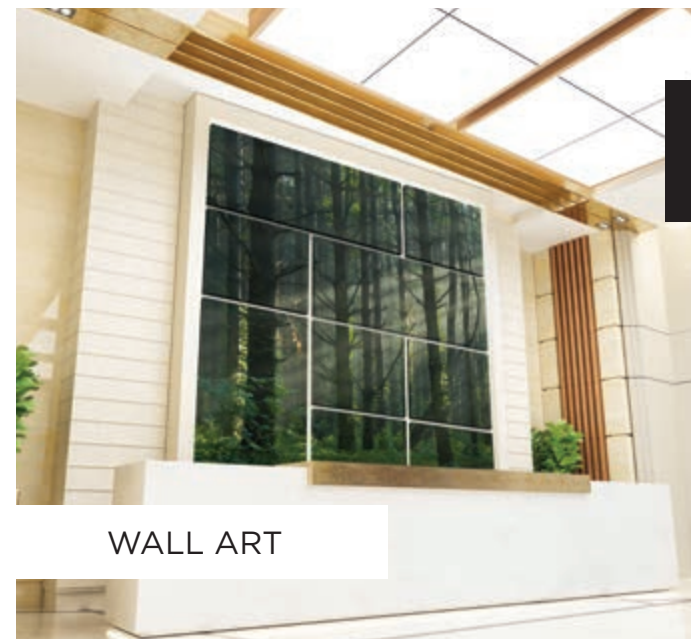

Design by: 4orm Studio
Custom acoustic Hatch™ canopy.

PARTITIONS

LINCOLN OFFICE

Design by: Lincoln Office
Custom 10" x 10" acoustic beams with metal finishing details.

CASE STUDY

ENHANCE THE BRAND

We develop personalized solutions. When working with our clients, we custom tailor each piece to their brand, vision, or specific needs. Sometimes that's as easy as color coordination and sizing, but other times, deeper details can lead to unexpected and exciting outcomes.

BOYS & GIRLS CLUB

Design by: Fi™ Interiors
Modified acoustic baffles, beams, and Hatch™ canopy.

CASE STUDY

REUNION BY CHEF ART SMITH

Design by: Knauer
Custom woodgrain acoustic ceiling.

CASE STUDY

CASE STUDY

Explore the Possibilities

We have a passion for exploring and developing custom solutions that push the boundaries of our materials and capabilities. Our ability to merge materials and manufacturing techniques enables us to develop truly original and experiential designs.

RESORTS WORLD LAS VEGAS

Design by: iWorks
Custom tension fabric ribbons.

FI INTERIORS NEOCON 2022

Design by: Fi™ Interiors
Custom-tailored Exposure™ beams
and integrated lighting.

CASE STUDY

LET'S COLLABORATE

We understand the complexities of designing a space that'll deliver the intended experience and meet the expected budget. We work hand-in-hand with our customers to produce, guide, or drive a project from concept to completion.

Our manufacturing capabilities include:

Custom acoustic décor • Tension fabric and textile finishing •
Frame and fabric architecture • Lighting integration • Digital
printing • Custom woodworking
