### WHAT IS COOPERATIVE PROCUREMENT?

*“Cooperative Procurement refers to combining requirements of public agencies to leverage the benefits of volume purchases, delivery and supply change advantages, best practices and reduction of administrative time and expense.” -NIGP*

### HOW DO I START?

**RMI:**  
[TIPS@roofrmi.com](mailto:TIPS@roofrmi.com) , RMI will set your agency up for direct purchase of materials, pricing and direct purchase contact. Schedule training for your in-house personnel both initially and ongoing. Direct interface with RMI Technical Services. Dedicated FTP Server for downloading of additional TIPS literature as well as RMI literature, data and SDS information. For additional videos visit <http://www.roofrmi.com/videos>

**TIPS:**  
If your agency is not currently a TIP’s member signing up is simple, free and without obligation. Simply go to [www.TIPS-USA.com](http://www.TIPS-USA.com) , click on the member’s tab, and follow the instructions to sign up. Again membership is free and does not obligate you to purchase our product or service.

You can also do all of your due diligence on our contract on the TIPS website. This information is available to the public and you do not need to be a member to access. Simply select the vendors tab, find our company and all of the due diligence you need to review will be on the due diligence tab.
