ALLSEATING FOR EVERY SITUATION

WORK. LEARN. CREATE.

We have designed seating solutions for over 35 years by looking beyond the chair.

At Allseating, we design and manufacturer seating solutions for the commercial, healthcare, hospitality and higher education markets. There are 3 key areas of service that we strive to perfect at all levels of our business – from the manufacturing floor to the front office: affordable innovation, flexibility and service excellence.

AFFORDABLE INNOVATION

- With every chair we design now we look at how we can be innovative – how can we stand out.
- Sometimes innovation doesn't come from being different but from offering a fit and finish typically found in a high end product at a much more affordable price.

FLEXIBILITY

- We have 20 product lines with multiple options within each line giving you thousands of product options to choose from.
- We have price ranges that will meet most budgets.
- Each series give our clients a multitude of standard options to create a solutions that are right for them.

SERVICE EXCELLENCE

- You can't get more comprehensive than 12 years, full parts and labor.
- Our Carded Textiles are also covered for 12 full years.
- Our seating cover up to 350lbs on all of our chairs - Higher than most other manufacturers.
- We have a dedicated warranty response team to help you resolve any issues quickly with as little down time as possible.

72 HOUR QUICK SHIP

- 95% of our product lines are available on a 72 hours lead time
- Quantity of 25 or less
- Standard fabric options

**YOU®**

Instead of being passively supported by your chair, the You® chair encourages you to sit actively – all day and regardless of the task at hand. With its standard back height adjustment and U-shaped back suspension, the You chair introduces a revolutionary way of sitting that ‘lifts’ you into the proper position.

**LEVO®**

Inspired by the Latin word levis, which means to “raise” or “lift”, Levo features a proprietary ‘hands-on’ back adjustment system that provides lumbar support at 5 intervals.

**L1®**

L1 provides optimal, accessible and intuitive ergonomics for all users. From private offices to open-concept work spaces, L1’s design fits seamlessly into an array of settings. Living up to its namesake by providing all-day support, L1 remains affordable proving style, comfort and health never need to be sacrificed in the name of cost.

**EXCHANGE® SINGLE**

Exchange is a modular, soft-seating system unlike any other. Seven core injection-molded, recycled plastic components come together to create endless possibilities. Seen above is the single with 12” end platforms.

**EXCHANGE® DOUBLE**

Exchange allows for virtually any layout, starting with its 40 standard configurations: Linears (from single to eight seater), L-shape and U-shape. A comprehensive privacy screen program allows for various types of solitude to fit any environment. Seen above is the double with high, wide arms and surround screen.

**EXCHANGE® QUAD**

True to its modular nature, Exchange provides the unique ability to be reconfigured as time goes on and the needs of the workplace change, through its removable covers and core modular components.

Seen above is the quad with low, narrow arms.

**ENTAIL™**

With Entail, many value-added features come standard, such as an integrated seat-slider to support a wide-range of body types as well as a dual functioning arm that is both height-adjustable and has arm pads that can easily shift forwards or backwards. Available in either smoke or black frame finish.

**REQUISITE® HIGBACK**

Business is a meeting of the minds. Requisite is a series of seating solutions that bring together creativity and economy, innovation and stability, first and lasting impressions. All equate to an ideal solution for conference or executive spaces.

**AYLES™**

Ayles is a contemporary lounge seating with a knife-edge shape and enchanting name that are inspired by its namesake, the Ayles ice shelf, located in the Canadian Arctic.

**EXCHANGE® L-SHAPE 3X4**

Planning capabilities for Exchange are furthered through various surface options such as intervening tablets, end platforms and a comprehensive table program. Thirteen laminate surface finishes are available. Seen above is the L-shape 3x4 with low, wide arms with surface and corner surface.

**EXCHANGE® U-SHAPE 4X4**

A suite of new features launching across 2019 bring even more versatility to Exchange, allowing for over 180,000 possible standard configurations.

Seen above is the U-shape 4x4 with high, narrow arms and full screen.

**JIF™**

In today’s open, mobile workplace, needing a spot to gather happens at a moment’s notice. Jif can be arranged around a coffee table, across from a sofa to fill out a circle, or stored under a desk and taken out when needed. Its pull handle allows for easy transport.

TUCK® STACKER

Tuck is a high-density stacking chair conveniently designed so it's there when you need it – wherever you need it – and conveniently “tucks” away when not in use. It's ideal for training, hospitality and temporary applications.

TUCK® COLLABORATIVE

Tuck into productive conversations with Tuck Collaborative. Tuck Collaborative brings a swivel-base option to the Tuck family, offering users the functionality of a task chair with the simplicity and aesthetic of a side chair. This chair can be seen around quick conference settings, training areas, labs, and touchdown spaces.

ASTUTE® GUEST

Astute combines modern style with exceptional versatility to yield a chair that's ideal for all settings. Incredibly versatile and customizable, Astute features elegant curves and over 85 total variations to find a solution for any seating need and give our customers the freedom to bring their vision to life. Pictured above with Loop Arms.

ASTUTE® ARMLESS BAR STOOL

Astute combines modern style with exceptional versatility to yield a stool that's ideal for all settings. Incredibly versatile and customizable, Astute features elegant curves and over 85 total variations to find a solution for any seating need and give our customers the freedom to bring their vision to life.

MULTIFLEX®

Perfect for classroom or training environments, Multiflex Tablet is available with a range of accessories – including a writing tablet and book basket.

TUCK® NESTER

The award-winning Tuck Family can now neatly nest away. Nester is ideal for environments where stacking may not be practical. With its lightweight-yet-durable and mobile design, Nester is ideal for education and other highly-interactive environments.
