Overview

SERIES is the industry leader in product innovation and design solutions in the seating industry. We have proven excellence in the Performing Arts, Worship, Education, Stadium, and Cinema Markets. Our vast selection of public seating is customizable to meet your needs and best fit your space. Our front-line approach to product design ensures the highest-quality, cost-effective solutions in the market. Our products are sure to exceed your expectations while saving you both time and money. SERIES Seating utilizes your space most efficiently, optimizing your revenue potential.

Seeing our design concepts through completion, SERIES Seating is dedicated to designing, developing, engineering, and delivering the best products and services to our customers. We design, engineer, develop, and customize over 60 products annually. Our professional staff has extensive experience in providing full-service solutions – from new product development, design layout, product customization, and field checks; to project coordination including shipping, delivery, and installation.
