## Overview

*AC Global Learning online programs provide holistic resources and ongoing support for PK-12 students and teachers alike so that your school district has current and effective curriculum, both now and in the future. We combine proven curriculum, new education technology, and supplemental services such as online teacher or parent training and real-time student progress reports to create a virtual teaching platform that offers a personalized education like never before and a E-library with more than 2,000 books.*
