### Overview

#### *Technology that Empowers Schools*

*For over two decades, we have partnered with schools, districts, and service providers in the K12 software space to offer solutions that help administrators streamline their processes and meet the ever-changing needs of school administration. From government forms to the logistics of dismissal, our products put the focus on learning and less on paper pushing.*

*At Nutri-Link Technologies, we know that a sustainable technological infrastructure relies on security. When you choose our software, you can be sure student privacy and maintaining a secure online environment are a top priority.*
