### Overview

<p>RGB SYSTEMS INC dba Extron Electronics, AV technology solutions serve the diverse needs of organizations around the world. Just as we are proficient at our core business of creating innovative solutions across all AV technologies, we also have unmatched experience and a deep understanding of the needs of customers in a wide range of vertical markets. After more than 30 years in the AV industry, Extron is uniquely able to provide industry specific guidance to educational institutions, corporations, and government organizations, as well as the consultants and integrators who service them. We deliver valuable insight as they are deciding on AV investments, defining their AV strategy, marrying strategy with business goals, selecting appropriate products to ensure interoperability, planning ongoing support for end users, and preparing for future technologies.</p>
