### Overview

*Gaggle is the pioneer in helping K-12 districts manage student safety on school-provided technology. Using a powerful combination of technology and trained safety experts, Gaggle provides real-time analysis and review of students' use of school-issued online collaboration platforms—a particularly important service during times of increased distance learning.*

*Whether your district uses the Google, Microsoft, or Canvas learning environment, Gaggle Safety Management will monitor your students' email, schoolwork, and chat tools for signs of suicide, self-harm, depression, drug and alcohol use, cyberbullying, violence toward others, and oth*
