Overview

With over nine years of rigorous research & development, battle-tested in more than 12,000 K-12 institutions in over 50 countries, Permission Click is the most comprehensive, easy-to-use, enterprise-grade workflow automation and risk management platform available.

We have helped school districts of every size ranging from individual school sites to large public school districts nearing 600 schools and 250,000 students.

Permission Click has expanded to include users in thousands of schools in over 50 countries, using the platform in over 100 languages.

Permission Click is built from the ground up for K-12 and helps:

Ensure that the correct forms are being used

Guarantee all fees collected digitally are captured for reporting

Verify the required forms and approvals are being collected both externally from parents and internally from staff

Meet audit and compliance requirements via document retention and comprehensive reporting

Reduce risk and liability footprint
