Overview

Unisys is built on over 145 years of game-changing innovation. Along the way, we feel we've made the world a better place by bringing technological innovation to businesses and governments around the world. Our company has evolved and adapted over time, but our passion for innovation and for helping our clients succeed has remained constant.

Our Mission is to deliver advanced IT solutions to businesses and governments around the world. Our solutions consistently deliver the significant, measurable results that matter most to our clients. Better still, we build security into the solutions themselves.
