Overview

100 year old company with 50+ years of experience inventing new polymers and cross links. This experience ensures complete control over the design & quality of the products from start to finish. Our ability to develop advanced acrylics & polyurethanes with patented cross-linking technology has given us the opportunity design coatings made specifically for gym and concrete floors. We offer a complete janitorial chemical line including floor finish, strippers, general cleaning products, food service, and restroom care.
