### Overview

*True North Consulting Group (TNCG) is an independent technology and security consulting firm. We specialize in K-12 education, higher education, local government, and healthcare. Our principal consultants include technology experts, former government IT and public safety executives, and a registered AIA certified architect. TNCG provides assessment services, design and specifications, bidding and negotiations, project management and contract administration for all technologies including audio visual, structured cabling, physical security, networking, unified communications, data center, and wireless. Visit our website at [www.truenorthcg.us](http://www.truenorthcg.us) to learn more about us.*
