Overview

Spun from our parent company Newegg, Newegg Business Inc. was created as a destination for businesses and organizations to research, buy, and manage all their information technology needs. Since our founding in 2010, Newegg Business has become the leading online retailer committed to becoming the most loved and trusted marketplace for organizations and agencies on the web. Today we offer our customers access to over 160,000 competitively priced IT products such as systems, components, peripherals, and software from the biggest brands in the world. We leverage our strong and long-standing partnerships with our IT vendors to enable us to provide our customers competitive pricing, immediate product availability, and comprehensive ongoing support.
