### **Overview**

#### *OES Scoreboards – Video Displays & Scoreboards*

*Literally lighting up the game since 1994. As leaders in LED video displays and scoreboard solutions, we are trusted by professional leagues because of our innovative best in class products. Our scoring and timing solutions can be found in over 40% of the NFL, NBA, NHL, MLB, and NCAA venues. We bring our pro venue expertise to every customer we partner with.*

#### *About OES Scoreboards*

*In 1994, OES leveraged its electronic controls expertise and applied mission-critical design methodologies to develop its first LED scoreboard. Since then, OES has expanded their scoreboard product series to become a premier sports entertainment solution provider. OES Scoreboards is a well-recognized brand in the North American market, second-to-none for performance and reliability. It is one of a select few scoreboard companies approved for scoring and timing by the NBA, NHL, CFL, NFL, MLS, and MLB. From organized sports at elementary and secondary schools, to municipal recreation centers and arenas, to competitive play at the college, university, and professional level – we cater to a wide array of customer needs. OES designs top-quality products that can be integrated into a broad range of applications.*

*From our passion for sports, talented and complete in-house engineering team, state of the art manufacturing facilities and equipment, and culture committed to complete customer satisfaction – that's... the OES Advantage.*
