Overview

UPN currently serves over 300 communities across 21 states with 10,000 metro fiber route miles and over 7,000 on-net buildings. We have a proven history of successful completion of large and complex fiber optic construction projects, on time and on budget. Our customer relationships typically include long-term agreements (10-20 years) for fiber-optic connectivity between multiple facility locations. UPN manages all phases of the customer relationship, including RFP response, construction management, network reliability, technical assistance, and customer service to facilitate to a long-term partnership with our customers. Headquartered in Kansas City metro area, UPN has been providing customer focused communication solutions since 1998.
