Overview

Ameresco (NYSE:AMRC) is a leading cleantech integrator and renewable energy asset developer, owner and operator. Our comprehensive portfolio includes energy efficiency, infrastructure upgrades, asset sustainability and renewable energy solutions delivered to clients throughout North America and the United Kingdom.

Leveraging budget neutral solutions — including energy savings performance contracts (ESPCs), power purchase agreements (PPAs) and off-balance sheet Energy as a Service (EaaS) contracts — we eliminate the financial barriers that traditionally hamper energy efficiency and renewable energy projects. Ameresco has successfully completed energy saving, environmentally responsible projects with Federal, state and local governments, K12 school districts, college campuses, healthcare institutions, airports, housing authorities, and commercial and industrial customers.

Ameresco has more than 1,000 employees providing local expertise in the United States, Canada, and the United Kingdom. Founded on a mission to create value and provide energy efficient and renewable solutions to the organizations we serve, Ameresco is relentless in the pursuit of a sustainable future.
