Overview

Founded in the mid-70's as an energy services firm, OpTerra has become a national energy company with a rich history of industry leadership and high performance. Over 40 years of energy experience has allowed us to evolve with our customers and become a leader in energy efficiency, renewables, and infrastructure renewal. Now, OpTerra is a subsidiary of ENGIE, the number one energy efficiency services provider in the world. As a key part of ENGIE's reach in North America, OpTerra provides energy solutions and services to thousands of customers. We approach energy initiatives as partnerships, and pioneer innovative programs that save money, generate revenue, improve assets, protect the environment, and ensure our customers' success.
