Overview

Business Communications, Inc. has been a solutions provider for over 25 years. We are a traditional Value Added Reseller that has transitioned to a Managed Service Provider in the last ten years. BCI is a regional company with offices in Arkansas and Mississippi. Four Practice Directors manage our outstanding group of Engineers who strategically focus on their specific engineering disciplines: Routing & Switching, Collaboration, Wireless & Security, and Storage & Virtualization.

Your business depends on your IT systems. We're confident we are the only network services, computer support, or IT consulting business in the South that provides all these benefits to your business.

BCI partners with a variety of top industry organizations to provide the best IT products and solutions for our customers. Our technology partners include manufacturers, industry-standard organizations, and Independent Software Vendors (ISVs).

BCI's dedicated sales and customer service team members work with our customers to provide solutions that meet their needs.
