Overview

Not just another COMMERCIAL ROOFER Stubborn leak? Why replace when you can restore? Storm damage? Insurance claim? Need advice? The last thing you need right now is a "Roofing Contractor." You need an expert team of trusted professionals to guide you through the entire process to TOTAL ROOF HEALTH. Roofing contractors are to roofs what auto mechanics are to cars: A bunch of dirty, questionably ethical guys you call when you have an immediate problem... who will charge you as much as possible for solutions that might not even be what you really need. Roofers and mechanics both HOPE that you continue to experience problems so they can keep making more money from you. That's an outdated way to think about your roof—and it costs you a ton of money. We're different. Sure, we fix leaks, too. But our team of professional experts does so much more. We inspect roofs before they leak to detect hidden damage. We recommend less expensive alternatives to re-roofing. We monitor storms for you—and react immediately when there are problems. We have a storm damage specialist with technology and equipment to build a forensic case for your insurance claim. We know bulldog attorneys and public adjusters to fight your insurance company when they under-estimate damage. We constantly monitor roof conditions to detect minor problems before they get big. We save you money. We call it TOTAL ROOFING SOLUTIONS; the difference is that we're absolutely PRO-ACTIVE. We don't wait for problems. We search them out, prove the extent, and get you everything necessary to restore your roof to health. Castro Roofing's mission is to empower building owners and managers to control their roofing portfolio and to provide smart roofing solutions. Castro Roofing is a commercial roofing solution provider. We permanently repair roof leaks, including nightmare leaks you have been struggling with for 5, 10, 20 years, re-roof, long-life roof restoration systems, storm damage assessment and reconstruction, metal roofs, roof maintenance, lifecycle roof budgets and roof asset management online program. We meet or exceed all bonding requirements, OSHA requirements and insurance requirements. Castro Roofing is the only contractor that has ever been honored with the prestigious Greater Dallas Business Ethics Award. Our firm is an established minority-owned company with a long history of doing business with different government agencies. We are a family-owned business and operate by second-generation roofing family members. The company is debt-free with a strong financial standing. During the last decade, Castro Roofing has become synonymous with large, complex, high-profile projects.
