Overview

OnPoynt is a Texas based drone manufacturer that offers drones and drone education kits, curriculum and teacher training nations wide. Established in 2012, OnPoynt has focused on drone education for over 10 years and is the leading drone supplier of drone kits to school across the country. With our new curriculum partner we are now offering drone curriculum that support drone education at the high school level. Whether its drones for STEM, robotics, coding or racing, OnPoynt has it.

We also offer commercial drones for city, county and state governments, public safety and public works. We also can provide drone services thought partnership with drone service providers.
