Overview

<p>NE USA Inc dba Propello is a K-12 teaching and learning application intentionally designed by educators for educators that combines high-quality instructional materials with built-in scaffolding and support to propel learning and education forward. The company is on a mission to revolutionize traditional education models by providing advanced, customizable edtech solutions that unlock the full potential of both students and teachers, regardless of their background, budget, location, or unique needs. Propello provides standards-aligned, inquiry-based science and English language arts instructional materials and tools to schools and districts. Propello integrates with top rostering solutions and many commercial learning management systems (LMS) to save educators's time and increase efficiencies within your schools's and district workflows.</p>
