### Overview

*Gibbs Smith Education is committed to crafting an authentic narrative and high-quality curriculum that enriches and inspires students to become active and engaged citizens. That's why we are so excited to introduce Ziptales. A digital-first literacy library for grades PreK-Grade 6. The library contains over 500 stories, poems, and activities. Simple and engaging, this supplemental product offers animated, easy-to-follow lessons that will continuously enhance reading proficiency. Selections have lesson plans and are leveled by Lexile, Flesch-Kincaid, and Reading Recovery. A great resource for blended learning or remote learning English Language Arts instruction. With no integration, and at \$2 per student, Ziptales is an effective and affordable solution for in-class, virtual, and home.*
