Overview

Building Abatement Demolition Company, Inc (BAD Company) is focused on providing responsive, cost effective, and high- quality construction and facility services to clients who have significant infrastructure. Our clients include universities, K-12 school districts, community colleges, county governments, municipalities, healthcare organizations and commercial businesses. Our services include "Start to Finish" project development and implementation. We specialize in providing a "best value" solution to clients who require facility improvements.

In addition to providing "Start to Finish" management of turn-key projects, we provide the following value added offerings:

- Responsive and Fast Cycle Time facility improvement services
- Turn-key project delivery services
- Construction management services
- Facility assessment services
- Abatement and demolition services

Building Abatement Demolition Company, Inc approach is to serve the client with a project that is safe, achieves the highest level of quality and provides the greatest value. Every member of our firm understands our client focus and is driven to achieve at a level that exceeds your expectations. Building Abatement Demolition Company, Inc values of integrity, fairness, continuous improvement and results are understood by all our team. We are dedicated to earning the trust of our clients through our adherence to teamwork and are values.

Building Abatement Demolition Company, Inc has an excellent reputation and performance history with our clients. We work closely with clients to establish a partnership while ensuring knowledge is shared among stakeholders. Projects are delivered using a highly integrated fast-cycle time process that minimizes operational impact. Our field managers have delegated authority to act quickly in the best interest of the client.
