Overview

TPI specializes in creating synergy between technology, people, and ideas. We are a nationally recognized technology integration company providing custom solutions that include all types of low-voltage communication and audio visual systems. TPI offers a turnkey process from design, engineering and installation to service and training. The strength of our reputation is built on exceeding our clients' expectations in the timely delivery of engineered solutions for all of their low-voltage needs. Discover how we can creatively unite technology, people, and ideas to accomplish both your individual and organizational goals. We are a minority and disabled-veteran owned company, proud to employ a diverse workforce including many veterans of the US Armed Forces. Founded: 2000 Headquarters: Gilbert, Arizona Other Locations: Utah, New Mexico, & Texas
