Overview

<p> Dash Education Solutions LLC dba DashPass based in South Florida, Dash Education Solutions offers products that support the school safety ecosystem, aggregating directory and behavioral information to equip staff and parents with easyto-use mobile and web apps, increasing transparency and communications while enhancing security and accountability. As new challenges arise every day, K-12 schools, school districts, PTAs and other educational institutions continue to fortify buildings and processes to provide peace of mind to every family sending their students to school. Dash Education Solutions’ focus is to use technology advances in mobile and web technologies on a SaaS platform to provide parents, schools, and districts with actionable information that empowers them to make real enhancements to standard processes. Our apps make use of the valuable 4h16m of screen time the average person is looking at a screen to deliver relevant and timely information to make their life simpler and safer.</p>
