Overview

<p>Polyloom Corporation of America dba Tencate Grass is a fully integrated company that offers products and services ranging from the production of turf and related sports and landscape items to the distribution and construction of athletic surfaces. We offer products and services in all 50 states from the distribution and construction network and are striving to be the clear market share leader in terms of percentage of the earth covered by synthetic surfaces. Some of our partnerships include US Lacrosse and the NCAA Track Coaches Association. Tencate is the leader in turf production with FIFA certified fields across the world.</p>
