Overview

BK Technologies is a North American small business manufacturer based in West Melbourne and have been in business for more than seventy (70) years. Our radios are developed in the United States. As the original equipment manufacturer (OEM) of our products, we design, service, and market wireless communications P25 products consisting of two-way land mobile radios, repeaters, base stations, and related components and subsystems. Our mission is to remain deeply rooted in the critical communications industry for all public safety heroes, first responders, and military. We are also proud to say that more than ten percent (10%) of our work force are veterans.

Some advantages to selecting BK Technologies for your needs.

- 1. NO Licensing fees charged for the life of the radio.*
- 2. NO firmware fees for (enhancements/patches) charged for the life of the radio. Download at NO cost from the Customer Centric web portal.*
- 3. NO cost for programming software updates. Registered users can download from the Customer Centric web portal.*
- 4. NO Proprietary features.*
- 5. FREE training webinar – available on our YouTube channel.*
- 6. MIL-STD and ISO 9001:2015 certified.*
- 7. The BKR 9000 has a standard 5 year warranty. All other radios have a standard 2 year warranty with the option to purchase a 3-year extended warranty, for a total of 5 years of coverage. Accessories have a standard 1 year warranty.*
