Overview

ABX Industries is a Small Business Enterprise (SBE) providing innovative, data-driven and best-value, environment, health & safety (EHS), risk management, and facilities management solutions to corporations and government agencies and departments. Our innovative approach, strategic partnerships, and customer-centric focus enables us to seamlessly deliver timely, cost-effective and sustainable solutions tailored to our client's needs.

Our vision is to become the global leader in strategic facilities and field operations management. We are committed to helping our clients streamline and optimize their operations across various risk environments. Our core values—Safety, Leadership, Respect, Integrity, Collaboration, and Accountability—guide our approach to every project.

Located in Venus, Texas, ABX Industries is strategically positioned to serve clients nationwide. We pride ourselves on our ability to adapt to the unique needs of each client, ensuring that our solutions are both practical and impactful.

Our business lines and core competencies include, but not limited to:

Environment, Health & Safety, and Industrial Hygiene Solutions

•EHS Management System Audits, Compliance Monitoring and Performance Evaluations aligned with ISO 14001, ISO 45001, OSHA VPP, and Global Best Practices.

•EHS Leadership & Governance Training and Resource Support Staffing.

•Industrial Hygiene – Exposure Assessment & Control, Indoor Air Quality (IAQ), Quantitative Risk Assessment (QRA), and Risk Communication.

•Safety-Critical Equipment Sourcing, Supplies, and Services.

•Heavy-Duty Earth Moving Equipment Sourcing.
