### Overview

*BCI is a world leader in modern library furniture. We offer many types of shelving, modular information desk systems, a vast selection of display furniture, book browsers, as well as, children's furniture, lounge seating and tables. We work with School Districts and Public Libraries, along with leading Architects, Designers and Professionals in the development of functional and beautifully designed libraries. The library of today is not just a collection of books or a place to study, it is a place for multicultural communication, learning, social gathering and more. Therefore, major demands are being made on both function and design of today's Libraries to serve the populace now and into the future. BCI has the expertise, innovation and a vast product catalog to provide a modern library solution suited for each space's physical requirements and budget.*
