Overview

USACI, now Terralogic Solutions, Inc. has been helping governmental agencies solve their IT challenges for over 20 years by leveraging the latest technology from Best in the Business partners. Utilizing extensive experience and certification, we work to assist government, city and education IT departments in implementing solutions focused on easy management and maintaining compliance while staying in budget. All our solutions are offered through TIPS, allowing our customers to be confident that they are getting the best pricing for the technology they need and want. Terralogic Solutions is backed by a customer care center focused on service after the sale as we strive to partner with you to get the most out of your IT investment.
