Overview

We manufacture our own EPA-approved and alcohol wipes, hand sanitizer, alcohol spray, and NIOSH approved N95 masks. We regularly source and produce PPE products including but not limited to KN95 Respirator Masks, Surgical Masks, Face Shields, Hand Sanitizer, Gloves, Gowns, Shoe Covers, and other products. Our pricing is DDP to your US location, so all costs are 100% included in our delivered pricing. We have obtained, researched, and validated all compliance certifications and product testing reports for all of our factories through all regulatory bodies, when applicable (FDA, CDC, NIOSH, & EU governing authorities). All certifications meet or exceed current FDA guidelines. Mark One's partnerships to ensure legal compliance include: the nation's largest trade and customs law firms based out of Washington D.C. and with an office in Shanghai; knowledgeable customs brokers both in the US (based in Chicago) and overseas (based in Shanghai and Ningbo, China) ensuring daily communications regarding all shipments; a dedicated medical customs agent in Ningbo handling all of our final freight inspection and medical regulatory compliance.
