### **Overview**

*StarBoard has been manufacturing interactive technology solutions for over two decades. From interactive whiteboards to interactive flat panel displays, our innovative products are the perfect solution for any collaborative environment. Whether you're in a classroom or a conference room, our technology solutions are designed to improve engagement, performance and learning experiences. With StarBoard, there is no limit to what teams can achieve. Our mission is to bring quality, value, and innovation to our customers by creating unparalleled collaborative experiences.*

*Schools and businesses are using StarBoard interactive displays to improve engagement, performance and learning experiences. Our technology is designed for productivity and empowers people to collaborate across devices, workplaces and time zones as if they were in the same room. StarBoard technology solutions offer advanced collaboration and connectivity. Our training and technical support resources provide peace of mind that your technology investment will provide results.*
