### Overview

*Ramtech Building Systems, Inc. is a full service construction company who owns a modular building manufacturing facility. Since 1982, we have provided over 10 million square feet educational and admin space for public, private, and charter schools as well as local government facilities. Our Mansfield, TX facility consists of 85,000 sf of manufacturing space situated on 20 acres. We are the only modular building company in North America who has developed a slab on grade modular system.*
