Overview

F&P Construction, LLC is a Dallas Fort Worth based company located in McKinney, Texas, with more than 50 years of combined experience specializing in general contracting with the flexibility to perform as a subcontractor. We self-perform the installation of doors, frames and hardware, painting, gypsum wall board and acoustical ceiling tile systems, flooring, power wash, soft wash and any activities related to interior finishes. Our process driven expertise ensures a unique economic advantage to our clients, making F&P the go to contractor for immediate and long term needs. Our "Client Focused" culture is one of loyalty, honesty, integrity, transparency and accountability. These relational values are permeated and integrated in the depths of our management team and associated sub-contractors within our organization. F&P Construction is built on a strong foundation that supports growth from within that adds sustainable value to our employees and to our clients for years to come.
